In addition, when we provide information to affiliates or non-affiliates, we limit those disclosures to information about your transactions and experiences with us and to disclosures otherwise permitted by law. You do not need to take any action to prevent us from selling or sharing information we obtain about you.

We use security measures and training in our effort to protect the customer information we collect. We protect the information we obtain about you by maintaining physical, electronic and procedural safeguards.

We collect the following types of information about you when you purchase or use our products and services. Most of the information that we obtain about you comes directly from you, such as through the insurance applications you submit when requesting insurance products. These applications and other inquiries we make of you allow us to learn information that we may use to contact you in the future, such as your name, address, telephone number and e-mail address. In addition, insurance applications and other information you provide enables us to determine the type and value of your insured property, the types of insurance coverages you have or in which you might be interested, and similar information.

If you visit an Internet site that we maintain, we might request or obtain information that will enable us to identify you as a registered user, such as your name, a user identification name, a password, password reminders, and your Internet service provider. We also might obtain information about your operating system, web browser and similar information to enable us to improve the operation of our site.

When we consider products and services in which you may be interested, we often review information that we have about your past transactions with us or our affiliates, such as your existing or former policy coverages, premiums and payment history. In addition, we may learn information about your transactions with nonaffiliated third parties, including the types of products or services you obtained from them and your experiences with them. Finally, we may obtain other information from third parties that has a bearing upon your eligibility for the products or services you seek from us. This information may include your credit report or information about your creditworthiness, or other information maintained by consumer reporting agencies.

We provide customer information only to our affiliates and to nonaffiliates that must protect your customer information.

We also may provide information as mentioned in this notice to nonaffiliated third parties that perform services for us or perform functions on our behalf, such as marketing and research, or to other financial institutions with which we have joint agreements for activities such as marketing. By law, our contracts with these parties must prevent them from using the information they receive about you except as described in this notice.

Finally, we may share customer information as permitted by applicable law. This means that we will share information with parties as necessary to affect, administer, or enforce transactions that you request. For example, we might provide information to a company that processes, prints and mails our insurance policies to you, or to a company that adjusts claims under your policies. We also might disclose customer information to other entities specified by law, such as insurance advisory organizations, our attorneys and accountants, consumer reporting agencies, or civil and regulatory authorities. Federal law sets the limitations on these types of disclosures.

We strive to keep our records as accurate as possible. We attempt to maintain accurate records about you and we will gladly make appropriate corrections when you notify us. Of course, we do not control the accuracy of information gathered and provided by third parties, and you may need to notify third parties directly if you believe that any information we received from them is inaccurate. You may request the name and address of any consumer-reporting agency from which we obtain a report on you. You then may contact that consumer-reporting agency to request a copy of the report it makes or to advise of any changes to the information they maintain and report.

COMMERCIAL EXCESS LIABILITY POLICY

PROVISIONS

Various provisions in this policy restrict coverage. Read the entire policy and any underlying insurance(s) carefully to determine rights, duties and what is covered and not covered. Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations and any other person or organization qualifying as an Insured under the "underlying insurance". The words "we" and "us" refer to the COMPANY shown in the DECLARATIONS. Other words and phrases that appear in quotation marks or bold print have special meanings. Refer to the Definitions – Section V.

SECTION I – EXCESS LIABILITY INSURANCE

INSURING AGREEMENT:

We will pay those sums in excess of the scheduled "underlying insurance(s)" that you become legally obligated to pay as damages because of injury or property damage to which this insurance applies, provided that the damages would be covered by the scheduled "underlying insurance(s)", or would apply but for the exhaustion of the applicable Limits of Insurance.

This policy shall follow the terms, definitions, conditions and exclusions of the scheduled "underlying insurance(s)", subject to the policy period, policy limits, premiums and all other terms, definitions, conditions and exclusions of this policy. If any provisions of the scheduled "underlying insurance(s)" conflict with any provisions of this policy, the provisions of this policy will apply.

This policy will not in any event provide broader coverage than those provided by the scheduled "underlying insurance(s)".

The amount we will pay for damages shall not exceed the Limits of Insurance shown in the Declarations.

SECTION II – LIMITS OF INSURANCE

Regardless of the number of (1) Insureds under this policy, (2) persons or organizations who sustain injury or damage or (3) claims made or suits brought, the Company's liability is limited as follows:

1. The Limits of Insurance under this policy apply only when the total applicable limits of the scheduled "underlying insurance(s)" have been exhausted by the payment of claims for damages.
2. The Limit of Insurance shown in the Declarations as Each Occurrence is the most we will pay for damages because of bodily injury, property damage, personal and advertising injury arising out of any one occurrence or offense.
3. The Limit of Insurance shown in the Declarations as the Annual Aggregate is the most we will pay for all damages.

4. The Limits of Insurance of this policy apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless this policy is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding policy period for the purposes of determining the limit of insurance.

SECTION III – DEFENSE, INVESTIGATION AND SETTLEMENT

The Company will have the right and be given the opportunity to participate in the investigation, defense and settlement of claims or suits against you seeking damages because of injury to which this insurance may apply. We will have a duty to defend such claims or suits when the applicable limits of insurance in the schedule of "underlying insurance(s)" has been exhausted by payments of judgments, settlements and any costs or expenses subject to such limit. We may, at our discretion, investigate and settle any claims or suits.

Subject to the above provisions, costs incurred by you shall be paid as follows:

- a) All costs incurred by you without written consent of the Company shall be paid by you.
- b) If a claim or suit is settled within the limits of insurance of the scheduled "underlying insurance(s)", no costs will be payable by the Company.
- c) When we assume the defense of any claim or suit against you that seeks damages covered by this policy, we will pay all costs to the extent that such payments are not covered elsewhere.
- d) If the scheduled "underlying insurance(s)" include defense costs and expenses within the limits of insurance of those policy(ies), then any such payments we make are included and will reduce the Limits of Insurance as shown in the Declarations.

In the event you or the underlying insurer(s) elect not to appeal a judgment in excess of the limits of the scheduled "underlying insurance(s)" we may elect to make such an appeal. If we so elect, we shall incur and pay, in addition to the applicable Limits of Insurance all costs or expenses we incur.

The amount we will pay for damages shall not exceed the Limits of Insurance shown in the policy Declarations.

We will have no duty to investigate, defend or settle claims or suits brought against you once the Limits of Insurance of this policy as shown in the Declarations are exhausted, or if claims or suits brought against you are excluded from coverage under this policy.

SECTION IV – EXCLUSIONS

In addition to the exclusions included in the scheduled "underlying insurance(s)", any endorsed exclusions, or listed herein will also apply to the Limits of Insurance and coverages available under this policy. If there are conflicts in the exclusions of the scheduled "underlying insurance(s)" with any of the exclusions of this policy, the exclusions of this policy will apply.

1) **Uninsured/Underinsured Motorists** – this policy does not apply to:

Any liability, loss and/or damage, expense, costs, or defense arising out of any:

- a) Uninsured or Underinsured Motorist law; or
- b) No Fault Law or similar act or law; or
- c) Any automobile accident reparation law.

SECTION V – DEFINITIONS

1. “Underlying Insurance(s)” – means:

The policy or policies or self insurance listed in the Schedule of Underlying Insurance forming a part of this policy, any replacements or renewals thereof, provided that such replacement or renewal policy(ies) provide coverage equivalent to and afford limits of insurance equal to or greater than the policy(ies) being renewed or replaced.

- a) Policies purchased or issued for newly acquired or newly formed organizations shall not be more restrictive than any of the policies included in the Schedule of Underlying Insurance.
- b) The limits of the policies included in the Schedule of Underlying Insurance shall be deemed to be applicable regardless of
 - I. Any defense which the underlying insurer may assert; or
 - II. The insured's failure to comply with any condition of any such policy; or
 - III. The insolvency of the underlying insurer.

SECTION VI – CONDITIONS

If any conditions of the scheduled “underlying insurance(s)” conflict with any conditions of this policy, the conditions of this policy will apply.

1) **Maintenance of Underlying Insurance(s):**

You will maintain the “underlying insurance(s)” in full force and effect during the term of this policy, and to inform us within 30 days of any replacement or material change to that “underlying insurance(s)” by the same or any other company.

If you do not maintain the “underlying insurance(s)” in full force and effect or fail to meet all conditions, terms and warranties of such “underlying insurance(s)”, this policy will apply as if those policies were available and collectible.

The aggregate limits of the “underlying insurance(s)” shall be unimpaired at the effective date of this policy and, for the purpose of the insurance provided by this policy, only occurrences taking place during the term of this policy shall be considered in determining the extent of any exhaustion of the underlying aggregate limits.

If replacement policies provide coverage that is broader or limits of insurance that are less those indicated in the scheduled “underlying insurance(s)” then this policy will apply as if the terms, conditions and limits of the original scheduled “underlying insurance(s)” were still available and collectible, except insofar as this policy has been endorsed in writing to reflect such changes in the “underlying insurance(s)”.

Your failure to comply with the foregoing shall not invalidate this policy, but in the event of such failure, we shall be liable under this policy only to the extent that we would have been liable if you had complied.

For the purposes of this policy, if any "underlying insurance(s)" is not available or collectible because of:

- a. The bankruptcy or insolvency of the underlying insurer(s) providing such "underlying insurance(s)"; or
- b. The inability or failure for any other reason of such underlying insurer(s) to comply with any of the obligations of its policy;

then this policy shall apply (and amounts payable hereunder shall be determined) as if such "underlying insurance(s)" were available and collectible.

No statement contained in this condition limits our right to cancel or not renew this policy.

2) Other Insurance:

This insurance is excess over any other valid and collectible insurance whether primary, excess, contingent, or any other basis, except any other insurance written specifically to be excess over this policy.

3) Duties in the Event of an Occurrence, Claim, or Suit:

You must see to it that we are notified as soon as practicable of an occurrence that may result in a claim for damages or suit under this policy. To the extent possible, notice should include:

- a) How, when and where the occurrence took place;
- b) The names, addresses of any injured persons and any witnesses; and
- c) The nature and location of any injury or damage arising out of the occurrence.

If a claim is made, or suit is brought against you, which is reasonably likely to involve this policy, you must notify us in writing. Written notice should be mailed to the Company at the address shown on the Declarations page of this policy.

You and any other "insured" must immediately send us copies of any demands, notices, summonses, or legal papers received in connection with the claim or suit. In addition, you must authorize us to obtain records and other information, cooperate with us in the investigation, settlement and defense of the claim or suit and assist us upon our request, in the enforcement of any right against any person or organization that may be liable to you because of injury or damage to which this policy may apply.

You, except at your own cost, will not voluntarily make payment, assume any obligation or incur any expense without our consent.

4) Transfer of Your Rights and Duties Under this Policy:

Your rights and duties under this policy may not be transferred without our written consent.

If you die or are legally incapacitated, bankrupt or insolvent, your rights and duties will be transferred to your legal representative, but only while acting within the scope of duties as your legal representative. In any event, Notice of Cancellation sent to the first Named

Insured as shown in the Declarations, and mailed to the address shown in this policy will be sufficient notice to effect cancellation of this policy.

BINDING ARBITRATION

This endorsement modifies insurance provided under the following:

ALL COVERAGE PARTS

Should we and the insured disagree as to the rights and obligations owed by us under this policy, including the effect of any applicable statutes or common law upon the contractual obligations otherwise owed, either party may make a written demand that the dispute be subjected to binding arbitration.

When such a request is made, The American Arbitration Association shall be used, with each party selecting an arbitrator from the list of qualified arbitrators for insurance coverage disputes provided by that Association. The two chosen arbitrators shall select a third arbitrator from the same list; if they cannot agree to a selection, The American Arbitration Association shall make the selection for them. Each party shall bear the costs of its arbitrator and shall share equally the costs of the third arbitrator and of the arbitration process. A decision agreed to by two of the arbitrators will be binding.

In the event you prevail in the arbitration and we promptly offer to you arbitration costs and reasonable attorney fees incurred in connection therewith, in addition to the disputed contract benefit, you shall have no right to sue us for breach of implied covenants or unreasonable withholding of contract benefits.

To the extent that we prevail in the arbitration, the arbitrators may award us any expenses and/or damages incurred or paid under reservation of rights in excess of our contract obligations as determined by the arbitrators.

DISCLOSURE OF PREMIUM PURSUANT TO TERRORISM RISK INSURANCE ACT

SCHEDULE

PART I	
Terrorism Premium (Certified Acts) \$ This premium is the total Certified Acts premium attributable to insured losses under the Federal Terrorism Risk Insurance Act.	
PART II	
Federal share of terrorism losses 80 % (Refer to Paragraph B. in this endorsement.)	
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. Disclosure Of Premium

In accordance with the federal Terrorism Risk Insurance Act, we are required to provide you with a notice disclosing the portion of your premium, if any, attributable to coverage for terrorist acts certified under the Terrorism Risk Insurance Act. The portion of your premium attributable to such coverage is shown in the Schedule of this endorsement or in the policy Declarations.

B. Disclosure Of Federal Participation In Payment Of Terrorism Losses

The United States Government, Department of the Treasury, will pay a share of terrorism losses insured under the federal program. The federal share equals a percentage (as shown in Part II of the Schedule of this endorsement or in the policy Declarations) of that portion of the amount of such insured losses that exceeds the applicable insurer retention. However, if aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year, the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.

C. Cap On Insurer Participation In Payment Of Terrorism Losses

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

EXCLUSION OF OTHER ACTS OF TERRORISM COMMITTED OUTSIDE THE UNITED STATES AND CAP ON LOSSES FROM CERTIFIED ACTS OF TERRORISM AND EXCLUSION – TERRORISM (TRIA EXEMPT COVERAGES)

This endorsement modifies insurance provided under the following:

COMMERCIAL EXCESS LIABILITY COVERAGE
COMMERCIAL GENERAL LIABILITY COVERAGE PART
PROFESSIONAL LIABILITY POLICY

A. The following exclusion is added:

This insurance does not apply to:

TERRORISM

"Any injury or damage" arising, directly or indirectly, out of an "other act of terrorism" that is committed outside of the United States (including its territories and possessions and Puerto Rico), but within the "coverage territory". However, this exclusion applies only when one or more of the following are attributed to such act:

1. The total of insured damage to all types of property exceeds \$25 million (valued in U.S. dollars). In determining whether the \$25 million threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the terrorism and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or
2. Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:
 - a. Physical injury that involves a substantial risk of death; or
 - b. Protracted and obvious physical disfigurement; or
 - c. Protracted loss of or impairment of the function of a bodily member or organ; or
3. The terrorism involves the use, release or escape of nuclear materials, or directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or
4. The terrorism is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
5. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the terrorism was to release such materials.

With respect to this exclusion, Paragraphs 1. and 2. describe the thresholds used to measure the magnitude of an incident of an "other act of terrorism" and the circumstances in which the threshold will apply for the purpose of determining whether this exclusion will apply to that incident.

B. The following definitions are added:

1. For the purposes of this endorsement, "any injury or damage" means any injury or damage covered under any Coverage Part to which this endorsement is applicable, and includes but is not limited to "bodily injury", "property damage", "personal and advertising injury", "injury" or "environmental damage" as may be defined in any applicable Coverage Part.

2. "Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:
 - a. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act;
 - b. The act resulted in damage:
 - (1) Within the United States (including its territories and possessions and Puerto Rico); or
 - (2) Outside of the United States in the case of:
 - (a) An air carrier (as defined in Section 40102 of title 49, United States Code) or United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), regardless of where the loss occurs; or
 - (b) The premises of any United States mission; and
3. "Other act of terrorism" means a violent act or an act that is dangerous to human life, property or infrastructure that is committed by an individual or individuals and that appears to be part of an effort to coerce a civilian population or to influence the policy or affect the conduct of any government by coercion, and the act is not a "certified act of terrorism".

Multiple incidents of an "other act of terrorism" which occur within a seventy-two hour period and appear to be carried out in concert or to have a related purpose or common leadership shall be considered to be one incident.

C. The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for injury or damage that is otherwise excluded under this Coverage Part.

D. If aggregate insured losses attributable to terrorist acts certified under the federal Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

E. When this Policy applies to commercial property-casualty insurance which is exempt from the federal Terrorism Risk Insurance Act, the following exclusion is added and applies to those exempt coverages:

EXCLUSION OF TERRORISM

We will not pay for "any injury or damage" caused directly or indirectly by "terrorism", including action in hindering or defending against an actual or expected incident of "terrorism". "Any injury or damage" is excluded regardless of any other cause or event that contributes concurrently or in any sequence to such injury or damage. But this exclusion applies only when one or more of the following are attributed to an incident of "terrorism":

1. The "terrorism" is carried out by means of the dispersal or application of radioactive material, or through the use of a nuclear weapon or device that involves or produces a nuclear reaction, nuclear radiation or radioactive contamination; or
2. Radioactive material is released, and it appears that one purpose of the "terrorism" was to release such material; or
3. The "terrorism" is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
4. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the "terrorism" was to release such materials; or

5. The total of insured damage to all types of property exceeds \$25 million. In determining whether the \$25 million threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the "terrorism" and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or
6. Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:
 - a. Physical injury that involves a substantial risk of death; or
 - b. Protracted and obvious physical disfigurement; or
 - c. Protracted loss of or impairment of the function of a bodily member or organ.

Multiple incidents of "terrorism" which occur within a 72-hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one incident, for the purpose of determining whether the thresholds in Paragraphs **A.5.** or **A.6.** are exceeded.

With respect to this Exclusion, Paragraphs **A.5.** and **A.6.** describe the threshold used to measure the magnitude of an incident of "terrorism" and the circumstances in which the threshold will apply, for the purpose of determining whether this Exclusion will apply to that incident. When the Exclusion applies to an incident of "terrorism", there is no coverage under this Coverage Part.

In the event of any incident of "terrorism" that is not subject to this Exclusion, coverage does not apply to "any injury or damage" that is otherwise excluded under this Coverage Part.

- F. The following definitions are added and apply under this endorsement wherever the term terrorism, or the phrase any injury or damage, are enclosed in quotation marks:
 1. "Terrorism" means activities against persons, organizations or property of any nature:
 - a. That involve the following or preparation for the following:
 - (1) Use or threat of force or violence; or

 2. "Any injury or damage" means any injury or damage covered under any Coverage Part to which this endorsement is applicable, and includes but is not limited to "bodily injury", "property damage", "personal and advertising injury", "injury" or "environmental damage" as may be defined in any applicable Coverage Part.

NEW YORK AMENDATORY ENDORSEMENT—NOTICE PROVISIONS

This endorsement modifies insurance provided under the following:

ALL COVERAGE PARTS

With respect to Policies delivered in New York State, the following provisions are added to this Policy:

- A.** Failure to give notice to us as required under this Policy shall not invalidate any claim made by the insured, injured person or any other claimant, unless the failure to provide such timely notice has prejudiced us. However, no claim made by the insured, injured person or other claimant will be invalidated if it shall be shown not to have been reasonably possible to give such timely notice and that notice was given as soon as was reasonably possible thereafter.

- B.** With respect to "bodily injury" claims, provided that "bodily injury" is covered by this Policy, if we deny coverage or do not admit liability because an insured or the injured person, someone acting for the injured person or other claimant fails to give us written notice as soon as practicable, then the injured person, someone acting for the injured person or other claimant may bring an action against us, provided the sole question is whether the denial of coverage or nonadmission of liability is based on the failure to provide timely notice.

However, the injured person, someone acting for the injured person or other claimant may not bring an action if within 60 days after we deny coverage or do not admit liability, we or an insured:

- (1) Brings an action to declare the rights of the parties under the policy; and
- (2) Names the injured person, someone acting for the injured person or other claimant as a party to the action.

ALL OTHER TERMS AND CONDITIONS OF THE POLICY REMAIN UNCHANGED.
