Next Billing Date: Thursday, April 17, 2025

Your average daily electric usage

**124.62 kWh**

Your average daily gas usage

**42.24 therms**

Messages For You

This is an estimated bill. If the next actual demand reading is higher than this estimate, we may revise the estimate to the higher demand. You may avoid being billed at a higher demand level since your last actual meter reading if you arrange for and keep a meter reading appointment before the next scheduled meter reading date of April 17, 2025. Please call the telephone number on your bill for an appointment.

You have a SmartMeter installed at your location. Unfortunately, we had to estimate your usage based on 99.99% actual intervals registered in the billing period. Please visit conEd.com/MyAccount for more detailed information.

To save on energy and heating costs with energy efficiency solutions, visit conEd.com/Savings.

We have (212) 760-2690 as your primary phone number and utilities@livingny.com as your email address. Need to update? Please go to conEd.com or call us.

YOUR DOLLAR FOR ENERGYSHARE CAN MAKE A DIFFERENCE

EnergyShare helps eligible residential customers struggling to pay their bills with a grant of up to \$200. Pay the total amount of this bill and exactly \$1.00 more, and that dollar will go towards the EnergyShare fund. Con Edison will match each contribution.

Understanding your bill (Cont'd)

Merchant Function Charge: A charge that recovers costs associated with procuring electricity, procuring and storing natural gas, conducting credit and collections activities, and managing uncollectible accounts.

Meter Multiplier: If your meter multiplier is greater than one, your total usage will be the reading difference times the meter multiplier.

Monthly rate adjustment: Adjustment for miscellaneous costs and credits, and from October through May, for the effect of variation from normal weather.

Prior Read: Your prior meter reading was calculated when your last bill was issued.

Reading Difference: The reading difference is the result of subtracting your prior meter reading from your new meter reading. Please note: the New Read and Prior Read values shown on your bill have been rounded and/or truncated. Calculating the Read Diff yourself may result in a different value than the one shown here.

Reading Type: You will see the word "Estimated" here if your smart meter was unable to communicate your energy use during the billing period. Otherwise, your reading type will be "Actual".

Remaining: Charge for maintaining the system through which Con Edison delivers gas to you.

Sales tax: Tax collected on behalf of New York State and/or your locality.

System Benefits Charge: A charge that recovers costs associated with energy-efficiency and renewable-energy programs implemented by the Company and the New York State Energy Research and Development Authority (NYSERDA).

Temperature * Source: Central Park Weather station.

Total Usage (kWh): Your total usage is the sum of the 15-minute interval data recorded by your smart meter(s) during the billing period. This is used to calculate the energy-delivery and energy-supply charges on your bill.
