## Important

### FUSF Fee Changes July 1, 2025

Your Federal Universal Service Fund (FUSF) fee may change on July 1, 2025. Authorized and reviewed quarterly by the Federal Communications Commission (FCC), the FUSF funds programs to keep local telephone rates affordable for all customers and provides discounts to schools, libraries, rural health care providers, and low-income families.

### Notice Regarding Disclosure of Billing Name and Address to Third Parties

If you accept any collect or bill-to-third party calls to your local telephone number, Federal Communications Commission (FCC) rules and regulations require that Verizon disclose your billing name and address (BNA) to other telecommunications providers and their authorized billing and collection agents. You have the right to request that Verizon not disclose your BNA. You may make this request by contacting Verizon at 1.800.Verizon (1.800.837.4966). Even if you have an unlisted or non-published telephone number, you must still contact Verizon to make a request to withhold disclosure of your BNA. If you do not contact Verizon within 30 days after the first time you receive this notice, Verizon will presume that you consent to the disclosure of your BNA to other telecommunications providers and their authorized billing and collection agents.

### Caller ID Blocking and Automatic Number Identification

Caller ID Blocking - You can prevent the display of your telephone number on a Caller ID phone with these options:

- Per-Call Blocking - To block your number on a per call basis, press \*67 before making a call (1167 on a rotary phone). There is no charge for this using this option.
- Line Blocking - You may order per line blocking in states where it's available to block your number for all outgoing calls. You can press \*82 before a call to allow your number to display on that call (1182 on a rotary phone).

Automatic Number Identification - When you call 911, or dial 800, 888, 877, 866, 855, 844, 833 and other toll free numbers, the party you call can identify your telephone number using a network technology called Automatic Number Identification (ANI). Caller ID blocking may not prevent the people who answer such calls from seeing your phone number and name. Federal Communications Commission (FCC) rules do prevent parties that are assigned toll free numbers from reusing or selling the telephone numbers identified through ANI without the subscriber's consent.

## Customer Notices

### Your Choices to Limit Use and Sharing of Information for Marketing

You have choices about Verizon's use and sharing of certain information for the purpose of marketing new services to you. Verizon offers a full range of services, such as television, telematics, high-speed internet, video, and local and long distance services.

Unless you notify us as explained below, we may use or share your information beginning 30 days after the first time we notify you of this policy. Your choice will remain valid until you notify us that you wish to change it, which you have the right to do at any time. Verizon protects your information and your choices won't affect the provision of any services you currently have with us.

- Customer Proprietary Network Information

Customer Proprietary Network Information (CPNI) is information available to us solely by virtue of our relationship with you that relates to the type, quantity, destination, technical configuration, location, and amount of use of the telecommunications and interconnected VoIP services you purchase from us, as well as related billing information.

We may use and share your CPNI among our affiliates and agents to offer you services that are different from the services you currently purchase from us. If you don't want us to use or share your CPNI with our affiliates and agents for this purpose, let us know by calling us any time at 1.866.483.9700.

### • Information about Your Credit

Information about your credit includes your credit score, the information found in your consumer reports and your account history with us. We may share this information among the Verizon family of companies for the purpose of marketing new services to you. If you don't want us to share this information among the Verizon family of companies for the purpose of marketing new services to you, let us know by calling us any time at 1.844.366.2879.

### Electronic Fund Transfer (EFT)

Paying by check authorizes us to process your check or use the check information for a one-time EFT from your bank account. Verizon may retain this information to send you electronic refunds or enable your future electronic payments to us. If you do not want Verizon to retain your bank information, call 1.888.500.5358.

### Service Providers

Verizon NY provides regional, local calling and related features, other voice services, and Fios TV service, unless otherwise indicated. Verizon Long Distance provides long distance calling and other services identified by "VLD" in the applicable billed line item. Verizon Online provides Internet service and Fios TV equipment. Fios is a registered mark of Verizon Trademark Services LLC.

### Late Payment Charges

To avoid a late payment charge of \$5 or 1.5% of your total due, whichever is greater, full payment must be received before Aug 27, 2025.

### Restatement of Charges

This chart restates your charges by category. Basic includes local telephone service, related taxes, fees and installation charges. To help you maintain your local service when you can't pay your bill in full, Verizon applies your payment first to Basic. If you don't pay your Basic New Charges each month Verizon could disconnect your local telephone service. If you don't pay Non Basic New Charges, Verizon won't disconnect your local telephone service but these services may be suspended.

Category	Past Due	New	Total
Basic	.00	12.74	12.74
Non Basic	.00	241.20	241.20
