1. Your Combined Average Monthly Balance (CAMB) is the summation of the End of Day Available Now balances for all Eligible Deposit and Investment account(s) (EDI) across a calendar month divided by the number of days in that month. CAMB is based on the calendar month and is not tied to Your Statement Period. Only certain account types qualify as EDI accounts and you must be the owner (or beneficial owner) of an EDI account for it to contribute toward your CAMB. All of the EDI accounts contributing to your CAMB may not appear on this Account Statement. Some accounts that appear on this Account Statement are not EDI accounts. Please call us to learn which EDI accounts you own that contribute to your CAMB.

Eligible Family Members who live at the same address can choose to link their EDI accounts creating a Family CAMB range. Please see definition of Eligible Family Members in the Family Link section of the Client Manual Agreement. Retirement accounts have different rules for Family Linking than other EDI accounts. You may invite or be invited by Eligible Family Members (Members) to Family Linking. Starting in the first month existing deposit customers who are Eligible Family Members ("Members") successfully join or create a Family Link, their family CAMB will include EDI accounts they own along with EDI accounts owned by Members. If you were converted to a Legacy Relationship along with owners of accounts in your Package(s) pursuant to separate notice which provided the Effective Date of that conversion, similar to Family Linking the CAMB for Members in Legacy Relationships will include all EDI accounts they own along with EDI accounts owned by Members. Your family or legacy relationship CAMB may be higher than your individual CAMB, entitling you to join a Relationship Tier or different Relationship Tier. If you no longer want to be a member of Family Linking or a Legacy Relationship or no longer qualify for Family Linking or Legacy Relationships, speak to a banker on the phone or in a branch. Please see the Client Manual Agreement for more information on Family Links and Legacy Relationships.

2. Your Relationship Tier status will determine your Annual Percentage Yield for Citi Savings accounts (but not other Savings accounts) and may impact your eligibility for Monthly Service Fee and Non-Citi ATM waivers, along with other fees, features and benefits. Customers who did not own a Citibank checking, savings, CD, IRA, or investment account (investment accounts are offered through CGMI) in the 30 calendar days prior to opening their new EDI account ("New to Relationship" customers) may choose their Relationship Tier when opening the new EDI account. Re-Tiering will begin reviewing New to Relationship customer CAMB in the first full month after account opening, but it takes three months of sustained Balance Ranges for an Up-Tiering or Re-Tiering Out change. Unless a Tier exception applies, customers are Re-Tiered automatically on the first calendar day of the month. Through Re-Tiering, if an existing customer CAMB range meets the minimum Balance Range required for a higher Relationship Tier for three consecutive calendar months, they will automatically be Up-Tiered. If an existing customer wants to maintain their Relationship Tier, they need to make sure their CAMB does not drop below their Relationship Tier's minimum Balance Range for three consecutive calendar months.

You may be able to join Relationship Tiers faster and maintain Relationship Tiers by enrolling in Tier Acceleration. For three months after enrollment, Citi will review your "End of Day" balances on the last Business Day of the month across all EDI accounts you own ("EOD Balance"). Your EOD Balance is your Available Now Balance across eligible deposit and investment accounts at 10:30 p.m. EST. If your EOD balance meets the Balance Range for the same or a higher Relationship Tier on one or more eligible months, you will join that Relationship Tier on the first day of the next calendar month.

Your individual Account Statement will show both your current monthly Relationship Tier and up to 3 months of CAMB and Relationship Tier history.

Important: When customers own accounts as Joint Owners, the Relationship Tier associated with their account will be determined by the highest Relationship Tier among joint owners. The CAMB shown on a joint Account Statement will show the highest CAMB range among account owners.

Important: On statements, Joint Account owners will see the highest balance range of CAMB and highest Relationship Tier among Joint Account owners. Family Relationship members will see the Family CAMB range. Members in a Legacy Relationship will see the Legacy Relationship CAMB range. As a result, Joint Account owners, Family Linking members, and Members of Legacy Relationships may be able to deduce approximate balances of other owners and members. When deciding to open a Joint Account, join a Family Linking, or remain in Legacy Relationships, customers should evaluate their privacy needs, along with their need for rate and fee advantages.

4. Citibank generally charges fees for its products and services. Deposit accounts are subject to service, transaction or other fees not covered by the Monthly Service Fee. For a complete list of applicable fees and to learn the impact of Relationship Tiers on those fees, please visit the Fee Schedule of the Client Manual Agreement. Please also carefully review any fee disclosures provided at the time of a transaction or when a service is provided, such as when you open a Safe Deposit Box or order checks.

An Enhanced Direct Deposit also includes all deposits via Zelle and other P2P payments when made via ACH using providers such as Venmo or PayPal. Teller deposits, cash deposits, check deposits, wire transfers, transfers between Citibank accounts, ATM transfers and deposits, mobile check deposits, and P2P payments using a debit card do not qualify as an Enhanced Direct Deposit.
