

To whom it may concern,

I am writing this letter to show my interest in 336 E 56th Street #4. I am currently a Financial Analyst at Kate Spade New York's headquarters here in New York City. Prior to that, I was an Auditor at KPMG for 2 years. As you will see from my attached resume, I have a long history of responsibility and professionalism. In addition to my annual income of \$79,467 I have responsibly saved a large amount of funds which amounted to \$18,436. I am currently living at home with my parents on Long Island and am now looking to move close to work in New York City.

I am a graduate of Fairfield University and have successfully received my Bachelor of Science in Accounting. I have also recently received a Master's of Business Administration at Long Island University.

I have attached all required application documents and believe that my qualifications, as well as my commitment to excellence would make me an outstanding tenant. I am very much willing to meet and discuss any questions, at your convenience.

Thank you for your time and consideration.

Best,
Danielle Masterson
