## Make an Appointment Today

Dear CHARLES HENRY PROPERTIES LLC,

We've been trying to install your smart meter.

Please contact our contractor, Precision Pipeline Solutions, at 1-888-637-3698, within the next 10 days to set up an appointment. Appointments can be made Monday through Saturday, between 7 a.m. and 8 p.m., by visiting our smart meter appointment portal at <https://appointments.sgsprofield.com/ConEdison>, scanning the QR code, or calling 1-888-637-3698.

If you or anyone at this address is quarantined due to coronavirus, please wait until it is safe to arrange an appointment.

When an appointment is made, we will take every precaution to keep you and our workforce safe from coronavirus. Our installers will be wearing face coverings and gloves while they work, for their safety and yours.

**In the near future, when fees resume, your account will be charged a \$100 No Access fee each month that we are unable to access our equipment.**

Not the right person? No problem. Please call to let us know who can give us access to your meter and we'll set up an appointment with them.

For more information on smart meters, visit [coned.com/smartmeters](http://coned.com/smartmeters).

Sincerely,

Customer Operations
