To Whom It May Concern:

It is with great pleasure that I offer this letter of recommendation for **Claude Simon**. I have known Claude for over 40 years. We first met and became buddies at summer camp during our middle school years. In college, we renewed and intensified a great and lasting friendship. We were roommates during our senior year and have maintained our friendship ever since. Consequently, I know Claude well and can enthusiastically recommend him as a man of fine character, honesty and integrity.

He ran a textile business for many years, is a law school graduate, as well as a fine family man, father and husband. He is a reliable, sociable, generous and loyal person who is a pleasure to be around and a good friend. He will make a fine neighbor in your cooperative apartment building.

Sincerely,

David M Lans, DO FACP
