Re: License Agreement: 336 E 56 Street, New York, NY

Dear Mr. Higgins:

As we discussed, attached is the License Agreement. We need to see your exhibits, which will be the drawings of the work being done and the Protection Work. We will also need insurance certificates attached. Last, there is a deed restriction in our client's deed that relates to your client's property affecting certain rights to vertical extensions and structures. We should discuss providing a waiver of the restriction as part of this License Agreement.

Sincerely yours,

Darryl M. Vernon
