Dear C. Horos:

In reply to yours of January 22, 2015, please note the following action plan:

1. We have placed orders for 13 new smoke/co tamper proof 10 year fire alarms to be installed in all occupancy units and common areas of the building as soon as practicable upon receipt. See attached.
2. We have adjusted our maintenance plan to include the inspection of all smoke alarms in the building on a semi-annual basis. See attached.

We will advise you upon completion of the installation.

Sincerely,
