For purposes of this Agreement all Cash Flow allocated to the Members shall be allocated among them in the ratio in which the total Capital Contributed by each Member pursuant to Section 6.1 on the last day of each calendar month during the year bears to the total Capital Contributed by all Members pursuant to Section 6.1 on such date without regard to the number of days during such month in which such a person was Member.

5. Any nonrecourse deduction shall be allocated to any Member who bears the economic risk of loss with respect to the Member nonrecourse liability to which such deduction is attributable.

D. Any Company gain or loss realized with respect to property, other than money, contributed to the Company by a Member shall be shared among the Members and regulations to be promulgated thereunder so as to take account of the difference between the Company basis and the fair market value of the property at the time of the contribution ("built-in gain or loss").
