This report provides historical information. For the amount of any currently owed HPD charges, go to the Department of Finance website or call 212-504-4080. HPD charges are listed under the category of Property Taxes. These fees become a tax lien against the property if not paid.

As a result of the crossovers between the two unique systems used by HPD for the purpose of tracking billable charges and work orders, the following items should be reviewed before proceeding. Please be aware that this report does NOT include any open charges incurred and processed prior to July 1, 1999. See Notes 1 and 8 specifically.

Note 1: If the invoice date is prior to July of 1999 and is listed as having not yet been paid and/or transferred to DOF you must contact the ERP Accounting Unit (212)863-6020 option 2 to verify the current status of the charge.

Note 2: Demolition orders issued and awarded after January 1, 2000 are listed on HPDOnline. A hard copy report of older demolition jobs is available at Enforcement Services 4th Floor 100 Gold Street. In order to obtain a complete record of work in progress for demolition jobs prior to January 1, 2000, you must check the hard copy report, the mainframe system, and HPDOnline. You may obtain additional information about older demolition jobs by calling the ERP Accounting Unit (212)863-6020 option 2 and request a Building Balance Report.

Note 3: Where the OMO type is AOR, there are no award dates or award amounts. AOR's are for work performed by in house personnel and are therefore not awarded to an outside vendor. You should contact the ERP Accounting Unit (212)863-6020 option 2 for questions relating to AOR information.

Note 4: The Award Amount is the amount awarded to the vendor based on the initial scope of work for the OMO. During the normal and usual course of business, Change Orders that increase or decrease the amount of the initial award may be processed against that order. Therefore the award amount, and or any amount transferred, may not be the final amount for the work eventually posted to the Department of Finance. Questions regarding the remaining balances should be directed to the ERP Accounting Unit (212)863-6020 option 2. Award Amounts on the AOR Type jobs are blank.

Note 5: The Award Amount on Utility OMO's is \$1.00 because billing to the building owner occurs after the Agency is billed by the Utility Company. Due to the nature of Utility services, there can be multiple invoices for each OMO. As long as the account remains active, additional invoices will be processed against the same OMO between July of one year and June of the next calendar year. Each July (at the start of the City's Fiscal Year) a new Utility OMO will be issued.

Note 6: The Service Charge column indicates whether a service charge is owed the vendor. A service charge is owed when a vendor makes an attempt to visit a property to address a condition pursuant to an awarded OMO and the OMO is subsequently cancelled (example, no access to make the repair). If the notation in this column is 'N' then no charge is due. If 'Y' and an amount are present, then this is the amount due not the award amount. If 'Y' and an amount are not present then the service charge has not yet been determined.

Note 7: The Court/Agency authorized amount is for the 7A Financial Assistance (7AFA) repair charges. 7AFA funds and 7AFA charges are separate from Emergency Repair program funds and charges, although both 7AFA and ERP charges become tax liens. For more information about whether a 7AFA funded repair is ongoing or completed, or if partial liens have been filed, or will be filed, call the 7AFA Program at (212)863-7356. The Court/Agency authorized 7AFA amount may not be the final amount charged. This amount is subject to Change Orders that increase or decrease the amount of the initial award.

Note 8: You must continue to contact the ERP Accounting Unit to verify any balance that remains open prior to July 1, 1999. These amounts are NOT listed on this report. WITNESSETH, that the party of the first part in consideration of ten (\$10.00) dollars, lawful money of the United States, paid by the party of the second part, does hereby grant and release unto the party of the second part, the heirs of successors and assigns of the party of the second part forever,

ALL that certain plot, piece or parcel of land, situate, lying and being in the Borough of Manhattan, City, County and State of New York, and described on Schedule A annexed (the "Premises").

TOGETHER with all right, title and interest, if any, of the party of the first part in and to any streets and roads abutting the above Premises to the center lines thereof.

TOGETHER with the appurtenances and all the estate and rights of the party of the first part in and to said Premises.

→ SUBJECT TO the agreement of the party of the second part, that the party of the second part, any tenant occupying the Premises, any future owner, or any other party entitled to do so, shall have no right to extend the Premises (the "Height Restrictions") except as set forth below:

1. The length of any extension of the Premises, including any projections from the Premises, from the front of the building to the rear of the building shall be no more than fifty-two (52) feet (beginning at the front of the building). The maximum height up to which Purchaser can build, subject to the restrictions set forth herein, shall be fifty-four (54) feet from the height of the existing sidewalk on the northeast corner of the Premises (the "Maximum Height").

2. There shall be a minimum of five (5) feet from the easterly wall of the property located at 328-334 East 56th Street, New York, New York (the "Adjoining Property") to any new vertical extension of the exterior envelope of the Premises, including, without limitation, any equipment, structures or other items attached to any new vertical extension of the exterior envelope of the Premises. In the event of such vertical construction, the five (5) foot area from the Adjoining Property to any such vertical extension of the Premises shall not contain any mechanical equipment, structural columns or other impediments and shall be open and clear from the Adjoining Property to any such extension of the Premises. In addition, the wall of any such extension facing the Adjoining Property will be constructed of a maximum of thirty (30%) percent glass glazed area or sliding glass doors. 4. The Height Restrictions shall be deemed to include and prohibit the placement of any and all equipment, structures, parapets or any other items either attached to or placed on the roof, or any other portion of the Premises, which might violate the Height Restrictions, including the Maximum Height. Notwithstanding the foregoing, the party of the second part shall have the right to place certain air conditioning compressors on the far eastern portion of the roof of the Premises or any extension of the Premises, provided, however, such air conditioning compressors shall only be placed on the far eastern portion of the roof or any extension and no other location.

TO HAVE AND TO HOLD the Premises herein granted unto the party of the second part, the heirs or successors and assigns of the party of the second part forever.

AND the party of the first part, in compliance with Section 13 of the Lien Law, covenants that the party of the first part will receive the consideration for this conveyance and will hold the right to receive such consideration as a trust fund to be applied first for the purpose of paying the cost of the improvement and will apply the same first to the payment of the cost of the improvement before using any part of the total of the same for any other purpose.
