Re: Assessment Charges

To all unit owners

Be advised the January statements include a third assessment charge for the Virtual Doorman that was installed. The total cost of the installation was \$9,661.78 it was originally discussed to be broken down into 2 installments due to the miscalculation we are now breaking down the assessment into **4 equal monthly payments**.

Pardon any confusion this may have caused.

534 West 42nd Street

Unit	% of common Int.	Virtual Doorman			
		November	December	January	February
1	7%	166.67	166.67	166.67	166.67
