RE: Adam Hausman

To Whom It May Concern:

Adam Hausman has been a friendly, enjoyable and neighborly tenant at our building since 2013.

He has served as President of the Board of the Condominium and was responsible for numerous building upgrades and improvements.

He has always paid common charges and assessments promptly.

I would highly recommend him as a tenant or owner in any building.

Residents will surely find him to be a helpful and productive neighbor

Please do not hesitate to contact me for any further information.

Sincerely,

Claude Simon
