NOTES

I had 3 choices for fronts:

1- Ash because its the only natural wood and it complements the flooring (I think?).

2-Turquoise- I like it but I think its too personal

3- Recycled- functional "real" eco

The appliances are IKEA appliances not necessarily the ones we will use but the right size to dope out the design

Horizontal cabinets above are all the rage.

We are stuck with the position of the sink because of the plumbing.
