Dear Claude Simon

Thank you for your recent interest in receiving electric service to your property located at 71 Tonjes Rd Barn, Callicoon. Your NYSEG Notification Number is 10300252446. A field survey has been completed and electric service can be provided after the following requirements have been fulfilled:

- Receipt of an electrical inspection certificate from an authorized inspection agency assuring that your wiring is in compliance with the National Electric Code. Your electrician will typically file an application for this inspection once the work is complete. Upon completion of the inspection, the inspection agency will forward the approved certificate to NYSEG. Please provide your NYSEG Notification Number to your electrician so it can be provided to the inspector and noted on the inspection certificate.
- Enclosed is NYSEG's Customer Line Extension Worksheet detailing the costs associated with your job. Please return a copy of the worksheet signed in the area marked "Signature (Cust)" (keeping a copy for your records), together with a check made payable to NYSEG for the total amount: \$3,310.80.

Actual construction work to provide your service will take place after payment and/or other requirements have been satisfied. (Other requirements could include an easement, highway permit or electric inspection.)

If you need further assistance, please contact our Customer Relations Center at 1.800.572.1111. From the main voice menu, press 3, and then press 3 again to be connected with an Energy Services Representative.

Sincerely,

NYSEG Electric Services
