

Credit Report Authorization and Patriot Act Disclosure

The undersigned hereby authorizes any person or entity (a "Credit Source") to which a photocopy of this Credit Report Authorization is presented, to furnish to INTERVEST NATIONAL BANK and/or such person or entities as it may designate, presently, or until the loan under consideration, once consummated, is paid in full, such information concerning the credit and financial affairs of the undersigned as may be in the possession or knowledge of the Credit Source. The undersigned principal hereby agrees to indemnify and hold the Credit Source harmless from and against any liability, damages, cost or expense (including attorneys fees) that the Credit Source may incur as a result of releasing credit or financial information relating to the undersigned pursuant to this Credit Report Authorization.

In accordance with the provisions of the USA Patriot Act, Federal law requires financial institutions to obtain, verify and record information that identifies each person who applies for a mortgage loan. We require that name, date of birth, address, telephone number and facsimile number (in each case, for both residence and business) and social security number, be submitted with the initial loan application. We also require a clear and legible photocopy of your driver's license, resident alien card or military ID. Do not fax photocopies of required information; send them via regular US Mail or overnight delivery. In addition, your name will be checked against the Office of Foreign Assets Control (OFAC) list.
