Re: Notice of Termination Dated May 24, 2011

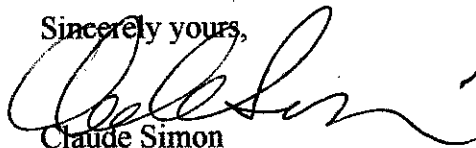

Dear Young H Joo

As we discussed, you have asked for a one month extension of the vacate date in the above notice, extending the date from August 31, 2011 to September 30th, 2011. We agree to this extension, with the understanding that you hereby acknowledge receipt of the Notice of Termination and agree to voluntarily surrender possession of your 3rd floor premises, vacant, free of all occupants, and broom-clean by September 30, 2011.

In consideration of this extension, you agree that your lease expired pursuant to the Termination Notice of August 31, 2011, but that we have extended your time to occupy through ~~September 30~~ September 30, 2011. As you advised, no one else occupies the subject premises, nor has made any claims of which you are aware to occupy the premises, other than Seven Olive Inc.

Upon your acknowledgement of the above agreement, by signing below, I hereby confirm my agreement to the above extension.

Sincerely yours,

Claude Simon
