## Avoid losing your prescription drug coverage

### What you need to know

Your monthly plan premium for SilverScript Choice (PDP) is past due. If you don't pay by 04/30/2025, we'll disenroll you from the plan. If this happens, you won't have Medicare prescription drug coverage with us starting 05/01/2025. This letter only applies to your prescription drug coverage. It does not affect any other Medicare plans or benefits.

### You need to pay the amount listed below to avoid losing your drug coverage:

Current Total Due	Date we need payment
This amount includes your past due balance and current month's premium	
\$132.00	04/30/2025

If you need to set up a payment plan to stay up to date with your Medicare Part D premium, call us at **1-866-824-4055 (TTY: 711), 24/7.**

**Note:** It may take up to 48 hours to process your payment. If we get your payment on 04/30/2025, you may lose coverage until the payment posts to your account.

If your prescription drug coverage ends, you may have to pay a late enrollment penalty if you get drug coverage in the future. There are some ways to avoid this penalty. Go to Medicare.gov to find out how.

### Extra Help program

We understand the challenges of rising living costs, including those that make it harder to get the medicines you need. The Medicare Extra Help program helps those with limited income and resources. If you qualify, Medicare could pay for your drug costs including monthly prescription drug premiums, annual deductibles and coinsurance. Those who qualify also won't have a coverage gap or a late enrollment penalty. To see if you qualify, call the Social Security Administration at **1-800-772-1213**
