Chaillet. — Des jardins, ornés de bassins
sculptures modernes, la vue s'étend, au delà
d'Iéno, sur le Champ-de-Mars et l'Ecole Militaire.

The Eiffel Tower, as seen from the Gardens
of the Chaillet Palace. — From the gardens adorned
with pieces of water and modern sculptures, the
view stretches, beyond the Iéna Bridge, on the Champ-
de-Mars and the Military School.

Dear Sylvia,

Forgive me for not
remembering your address,
that's my fault, for you.
My brothers and I are
spending a week here,
It's beautiful. The
kids are fine — and
thank you so much for
the gift — Love & Kisses Miki
