TRANSFER AGREEMENT

Unless otherwise indicated in the instructions above, please transfer in kind all assets in my account to TD Ameritrade. I understand that to the extent any assets in my account are not readily transferable, with or without penalties, such assets may not be transferred within the time frames required by applicable regulations. I understand I will be contacted by the carrying and/or receiving firm with regard to any assets that are nontransferable.

Unless otherwise indicated, I authorize the Transferor to liquidate any nontransferable proprietary money market fund assets that are part of my account and to transfer the resulting credit balance to my account with TD Ameritrade. I authorize the Transferor to deduct any outstanding fees due to Transferor from the credit balance in my account. If my account does not contain a credit balance, or if the credit balance in the account is insufficient to satisfy any outstanding fees, I authorize Transferor to liquidate assets in my account to the extent necessary to satisfy that obligation. If certificates or other instruments in my account are in your physical possession, I instruct Transferor to transfer them in good deliverable form, including affixing any necessary tax waivers, to enable the successor custodian to transfer them in its name for the purpose of sale, when and as directed by me. I understand that upon receiving a copy of this transfer instruction, Transferor will cancel all open orders for my account.

I affirm that I have destroyed or returned to the Transferor all credit/debit cards and/or unused checks issued to me in connection with my account.

If this TD Ameritrade account is a qualified retirement account, I have amended the applicable plan to designate the successor custodian. Alternatively, if this TD Ameritrade account is an Individual Retirement Account (IRA), I have adopted an IRA plan so that it names the successor custodian. If you have any questions about a possible loss of coverage, please contact your current firm before closing an account.
