Summary of Your Rights and Responsibilities

Service Termination: Your service will not be shut off before the scheduled disconnection date. We also cannot disconnect on Fridays, Saturdays, Sundays, holidays, the day before a holiday, during evening hours, or during a two-week period around Christmas and New Year's.

Reconnection of Service: If your service is shut off, we will turn it back on within 24 hours after you pay the overdue bills or sign a payment agreement. You may later be required to pay a deposit or reconnection fee or both. However, you would be entitled to a payment agreement for these also. If you have a legacy electric meter your breakers must be off or fuses pulled, prior to your service reconnection. If you have a smart electric meter and your service is able to be reconnected remotely, appliances that may have been left on will resume operation once the service is turned on. For your safety, we always recommend that the main breaker is turned off or fuses pulled prior to any reconnection of electric service.

Payment Agreements: If you can't pay the amount you owe in full, please contact us at **888.315.1755**, Monday through Friday, 7 a.m. to 7 p.m. so we can try to work out a payment agreement you can afford. You may also want to consider our Budget Billing service which evens out monthly payments throughout the year. You may choose to enroll in this service when you sign the payment agreement.

Billing Disputes: If you believe your bill is incorrect, please contact us at **800.572.1111**, Monday through Friday, 7 a.m. to 7 p.m. While we investigate your billing dispute, your service will remain on as long as you pay the undisputed amount. If you are not satisfied after speaking with a customer representative, please ask to speak to a supervisor. If after speaking with a supervisor you are still not satisfied, you may ask the New York State Public Service Commission (PSC) to review your billing dispute by visiting **dps.ny.gov/complaints** or by calling **800.342.3377**, 8:30 a.m. to 4:00 p.m. on business days. You can write to them at New York State Public Service Commission, 3 Empire State Plaza, Albany, NY 12223.

PSC Emergency Hotline: If your service has been, or is about to be shut off, you can call the PSC's toll-free hotline for assistance at **800.342.3355**, on business days from, 7:30 a.m. to 7:30 p.m.

Special Protections: Contact NYSEG immediately at **800.572.1111**, Monday through Friday, 7 a.m. to 7 p.m. if any of the following apply. **Medical emergencies** - if a medical doctor certifies that a medical emergency exists or you require life support equipment, we must continue service for at least 30 days. **Elderly, blind, disabled** - if everyone in your household is 62 years of age or older, 18 years of age or younger, or blind or disabled and we are unable to work out a payment agreement, we will contact the Department of Social Services and continue service for 15 business days while your situation is reviewed. **If lack of heat-related service is likely to cause a serious health or safety problem**, we will refer your case to Social Services and continue service during Social Services' review. **Public Assistance and SSI** - if you receive Public Assistance or SSI benefits, you may be able to prevent having your service shut off by contacting both NYSEG and Social Services.
