## Terms and Conditions

### GENERAL INFORMATION AND KEY TERMS:

All references to "Schwab" in this document refer to the broker-dealer Charles Schwab & Co., Inc. Unless otherwise defined herein, capitalized terms have the same meanings as in your Account Agreement. If you receive any other communication from any source other than Schwab which purports to represent your holdings at Schwab (including balances held at a Depository Institution) you should verify its content with this statement.

Securities, products, and services are not available in all countries and are subject to country specific restrictions.

**AIP (Automatic Investment Plan) Customers:** Schwab receives remuneration in connection with certain transactions effected through Schwab. If you participate in a systematic investment program through Schwab, the additional information normally detailed on a trade confirmation will be provided upon request.

**Average Daily Balance:** Average daily composite of all cash balances that earn interest and all loans from Schwab that are charged interest.

**Bank Sweep Feature:** Schwab acts as your agent and custodian in establishing and maintaining your Bank Sweep feature as a Schwab Cash Feature for your brokerage account. Deposit accounts held through the Bank Sweep feature constitute direct obligations of Charles Schwab Bank and are not obligations of Schwab. Deposit accounts are insured by the FDIC within applicable limits. For information on FDIC insurance and its limits, as well as other important disclosures about the Bank Sweep feature, please refer to the Cash Features Disclosure Statement available online or from a Schwab representative.

**Insured Bank Network ("Bank Network") Feature:** Schwab acts as your agent and custodian in establishing and maintaining your Insured Bank Network feature as a Schwab Cash Feature for your brokerage account. Deposit accounts held through the Insured Bank Network feature constitute direct obligations of a participating Depository Institution and are not obligations of Schwab. Insured Bank Network deposit accounts are insured by the FDIC within applicable limits. For information on FDIC insurance and its limits, as well as other important disclosures about the Insured Bank Network feature, please refer to the Cash Features Disclosure Statement available online or from a Schwab representative.

**Cash:** Any Free Credit Balance owed by us to you payable upon demand which, although accounted for on our books of record, is not segregated and may be used in the conduct of this firm's business.

**Dividend Reinvestment Customers:** Dividend reinvestment transactions were effected by Schwab acting as a principal for its own account, except for the reinvestment of Schwab dividends, for which an independent broker-dealer acted as the buying agent. The time of these transactions, the exchange upon which these transactions occurred and the name of the person from whom the security was purchased will be furnished upon written request.

**Estimated Annual Income:** Derived from information provided by outside parties. Schwab cannot guarantee the accuracy of such information. Since the interest and dividends are subject to change at any time, they should not be relied upon exclusively for making investment decisions.

**Fees and Charges:** For those fees described in the statement as "Fee to Advisor," as authorized by you, Schwab debited your Account to pay the fees as instructed by your Advisor. It is your responsibility, and not Schwab's, to verify the accuracy of the fees. Margin interest charged to your Account

during the statement period is included in this section of the statement.

**Interest:** For the Schwab One Interest feature, the Bank Sweep feature, and the Insured Bank Network feature, interest is paid for a period that differs from the Statement Period. Balances include interest paid as indicated on your statement by Schwab, Charles Schwab Bank, or a Depository Institution participating in the Insured Bank Network. These balances do not include interest that may have accrued during the Statement Period after interest is paid. The interest paid may include interest that accrued in the prior Statement Period. For the Schwab One Interest feature, interest accrues daily from the second-to-last business day of the prior month and is posted on the second-to-last business day of the current month. For the Bank Sweep feature, interest accrues daily from the 16th day of the prior month and is credited/posted on the first business day after the 15th of the current month. For the Insured Bank Network feature, interest accrues daily from the 16th of the prior month and is generally credited/posted on the 15th of the current month. If the 15th of the month falls on a non-business day, the interest amount payable through the 15th of the month is generally paid on the last business day prior to the 15th. However, there may be certain events that trigger the posting of interest earlier in the interest period. Events that could trigger an earlier interest posting include the closure of your deposit accounts at a Depository Institution or the rebalancing of funds between your MMA and transaction account at a Depository Institution. These events are referred to as "**Mid-Cycle Interest**" on your account statement. The interest period for Mid-Cycle Interest payments will be from the 16th of the prior month, or the date the account(s) were established if after the 16th of the prior month, until the date posted on your account statement. For more information, about Mid-Cycle Interest payments please refer to your Cash Features Disclosure Statement.

If, on any given day, the interest that Schwab calculates for the Free Credit Balances in the Schwab One Interest feature in your brokerage account is less than \$.005, you will not accrue any interest on that day. For balances held at Charles Schwab Bank in the Bank Sweep feature or at a Depository Institution participating in the Insured Bank Network, interest will accrue even if the amount is less than \$.005.

**Latest Price/Price (Investment Detail Section Only):** The most recent price evaluation available on the last business day of the statement period, normally the last trade price or bid. Unpriced securities denote that no market evaluation update is currently available. Price evaluations are obtained from outside parties. Schwab shall have no responsibility for the accuracy or timeliness of any such valuations. Pricing of assets not held at Schwab is for informational purposes only. Some securities, especially thinly traded equities in the OTC market or foreign markets, may not report the most current price and are indicated as **Stale Priced**. For Limited Partnerships and Real Estate Investment Trust (REIT) securities, you may see that the value reflected on your periodic statement for this security is unpriced. NASD rules require that certain Limited Partnerships (direct participation programs) and REIT securities, that have not been priced within 18 months, must show as unpriced on customer statements. Note that these securities are generally illiquid, the value of the securities will be different than its purchase price; if applicable, that accurate valuation information may not be available.

**Margin Account Customers:** This is a combined statement of your margin account and special memorandum account maintained for you under

Section 220.5 of Regulation T issued by the Board of Governors of the Federal Reserve System. The permanent record of the separate account as required by Regulation T is available for your inspection. Securities purchased on margin are Schwab's collateral for the loan to you. It is important that you fully understand the risks involved in trading securities on margin. These risks include: 1) You can lose more funds than you deposit in the margin account, 2) Schwab can force the sale of securities or other assets in any of your account(s) to maintain the required account equity without contacting you, 3) You are not entitled to choose which assets are liquidated nor are you entitled to an extension of time on a margin call, 4) Schwab can increase its "house" maintenance margin requirements at any time without advance written notice to you.

**Non-Publicly Traded Securities:** All assets shown on this statement, other than certain direct investments which may be held by a third party, are held in your Account. Values of certain Non-Publicly Traded Securities may be furnished by a third party as provided in Schwab's Account Agreement. Schwab shall have no responsibility for the accuracy or timeliness of such valuations. The Securities Investor Protection Corporation (SIPC) does not cover many limited partnership interests.

**Option Customers:** Be aware of the following: 1) Commissions and other charges related to the execution of option transactions have been included in confirmations of such transactions previously furnished to you and will be made available promptly upon request 2) You should advise us promptly of any material changes in your investment objectives or financial situation 3) Exercise assignment notices for the option contracts are allocated among customer short positions by an automated procedure which randomly selects from among all customer short option positions those contracts which are subject to exercise, including positions established on the day of assignment 4) Realized gain/loss of underlying securities is adjusted to reflect the premiums of assigned or exercised options. Please consult your tax advisor or IRS publication 550, Investment Income and Expenses, for additional information on Options.

**Schwab Sweep Money Funds:** Includes the primary money market funds into which Free Credit Balances may be automatically invested pursuant to your Account Agreement. Schwab or an affiliate acts and receives compensation as the Investment Advisor, Transfer Agent, Shareholder Service Agent and Distributor for the Schwab Sweep Money Funds. The amount of such compensation is disclosed in the prospectus. The yield information for Schwab Sweep Money Funds is the current 7-day yield as of the statement period. Yields vary. Schwab and the Schwab Sweep Money Funds investment advisor may be voluntarily reducing a portion of a Schwab Sweep Money Fund's expenses. Without these reductions, yields would have been lower.

**Securities Products and Services:** Securities products and services are offered by Charles Schwab & Co., Inc., Member SIPC. Securities products and services, including unswept intraday funds and net credit balances held in the brokerage accounts are not guaranteed deposits or obligations of Charles Schwab Bank or a Depository Institution(s) participating in the Insured Bank Network, and are subject to investment risk, are not FDIC insured, may lose value, and are not bank guaranteed. SIPC does not cover balances held at Charles Schwab Bank in the Bank Sweep feature or at a Depository Institution(s) participating in the Insured Bank Network feature.

**Short Positions:** Securities sold short will be identified through an "S" in Investment Detail. The market value of these securities will be expressed as a debit and be netted against any long positions in Total Account Value. **Depository Institution:** A Member FDIC depository institution
