Notes:

1. Some custom extra dark colors carry a surcharge above the normal price for dark. These types of colors will be quoted upon customer approval of a lab dip. A color with a color number is a firm quote.
2. Price quotes are subject to change without notice. Please contact your salesperson for an up-to-date quote.

3. We do not have a sample to show you. We will match your sample. When the goods are ready, we will send you a sample for approval prior to shipping.
4. We have to run 11,000 yards of each width to start. We can spread the shipping and billing over 3 months. We do hold goods for customers and ship as needed once the program is established.
5. The above quote is for NO STRIPE.
6. It will take about 6 weeks to have the first shipment ready.
