July 12/49. Hot & Sultry

Hear Syl.-

Believe it or not, we had rain here all day Sunday, quite a busy day too. Johnnie and Vicki paid us a visit with the twins, really was a surprise, because it was raining so hard. Those babies had the time of their lives. - Mom got busy in her usual way, she set them in the bath tub (they have none) and were they thrilled, it was some time before getting them out, of course big John M. took this opportunity to take a much needed nap. Well anyway they stayed about 3 hrs. until the rain let up a bit, in the meantime the twins had the most wonderful time playing with all the broken up toys, and mouse junk, more so than if they had new ones, it was sort of a novelty to them, they were all excited and everything, they especially like picture books, of which mom has plenty - Hedrie now knows how to play with her doll, and she bosses Johnnie around, telling him to get this and that, such as a blanket to cover the doll, and even combs the doll's hair etc. (over)

That's what happened Sunday.

Saturday the 9th a lovely day incidently - I had the twins out all day, so as to give John and Vicki a rest, the babies behaved nice, and it was a pleasure for me to have them out at the same time.

Saturday Evening I was baby sitting. John Vic. Bub. + Tillie went on ~~an~~ a moonlight boat ride to Bear Mountains and they had a very nice time, the twins were so tired, they went to sleep by eight, and slept till 3 am, when John + Vic. came home. Mom kept me company till 12 o'clock.

Well Syl. you asked for news so I'm going to let you have some, after all that's the least I can do, and it gives me great pleasure to know that you appreciate same.

Monday was really a banner day - we got mail? from you and also a nice letter from Jeanette, This is going to suprise you, Mom bought a new dress at Auback's no less - and then took me to a restuarant, and we had corned beef sandwiches and celery tonic, at Katz's on Ludlow St.

What got through her is beyond me,
but she seemed to enjoy the change.
If she could only keep this up it would
be a wonderful life

Tuesday - she's paying the rent to-day
and is preparing herself to go to Uncle
Alex. So you see - a word from you
or Jeanette cheers us both up and
sort of keeps us both nearer to-gether.
even a card will do because I know
you are very busy, with us it is
different - we have all the time in
the world to write you.

Here's a suprising move from little
Johnnie, - I asked him to pick up the
hair brush up, over there - and he
answered "where" Vicki and I got a
great kick out of it. I am going to jot
down some of their cute sayings, so
in my next letter you will have, I
know, the pleasure to read them
As for Ronnie & Kennie I don't get to

see them much, Don don't approve of me calling up to the house, so I take it for granted not only me but all of us are not wanted. or maybe I'm wrong. anyway lets not go into that, I don't believe your interested

Before closing I want to let you know briefly what Jeannette wrote us. She ^{has} ~~is~~ not found work yet, and is contemplating a trip to N.Y. for a week. and also want to thank you for "you know what" and your letter.

All in all every thing is swell and you have no need to worry about us. Hoping you are making the best of your "vacation" this leaves us in the best of every thing.

With love and regards from all

As ever

P.S.

Mom & Dad.
