APPLICATION FOR VERIFICATION OF INFORMATION FROM IMMIGRATION AND NATURALIZATION SERVICE RECORDS

INSTRUCTIONS

Failure to comply with instructions may make it necessary to reject your application.

1. **APPLICATION.** Form G-641 shall be used where it is requested that verification of age or date of birth, naturalization or citizenship, and genealogical information be provided to a person or organization. The form shall also be used for any other requests where the information is to be furnished directly to another Government agency or Court.

2. **IDENTIFICATION OF THE RECORD.** The personal data requested in items 5 thru 19 should relate to the individual from whose record the information is sought. It should be complete and as accurate as possible.

3. **CONSENT REQUIRED.** The subject of an INS record may consent in writing to another person's obtaining information to which the subject would be entitled. A block is provided in the application form where such consent is shown. If the record subject is deceased, a death certificate and/or statement of the requester's right of access to the records may be required.

4. **IDENTIFICATION OF REQUESTER.** INS regulations implementing the Privacy Act of 1974, P.L. 93-579, require that a United States citizen or an alien lawfully admitted for permanent residence who is seeking access to records about himself or herself, or consenting to disclosure from records about himself or herself, shall establish identity before access or disclosure may be granted. Such an individual appearing in person may identify himself or herself by showing a document bearing a photograph (such as an Alien Registration Card, Form I-151 or I-551, Citizen Identification Card, Form I-197, Naturalization Certificate, or passport); or two items which bear his or her name and address (such as driver's license or credit card). By mail, such an individual shall identify himself or herself by signature, address, date and place of birth, alien or employee identification number (if any), and one other identifier such as a photocopy of a document bearing name, address, and signature. If the above mentioned identification is not available, Form G-652, Privacy Act Affidavit of Identity, or similar Department of Justice form may be used. Identification is not required if the information requested is contained in a public record such as naturalization proceeding.

5. **FEES (a) Basic Changes.** A fee of \$15.00 shall be charged for the filing of each application. The fee is not returnable. When the information requested relates to two or more persons a separate form shall be filed on each individual with accompanying fee.

(b) **Certifications.** In addition to the basic fee of \$15.00, a fee of \$2.00 is required for each certification of a record, (see instruction No. 8), whether it is to be under seal or not under seal.

(c) **Manner of submission.** If this application is mailed **DO NOT SEND CASH, ALL FEES MUST BE SUBMITTED IN THE EXACT AMOUNT.** Attach a check or a United States postal money order (or, if application is submitted from outside the United States, remittance may be made by bank international money order or foreign draft drawn on a financial institution in the United States), made payable to the "Immigration and Naturalization Service" in United States currency. An applicant residing in the U.S. Virgin Islands shall make his remittance payable to "Commissioner of Finance of the Virgin Islands" and if residing in Guam, to "Treasurer, Guam." Personal checks are accepted subject to collectibility. An uncollectible check will render the application and any documents issued pursuant thereto invalid. A charge of \$5.00 will be imposed if a check in payment of a fee is not honored by the bank on which it is drawn.

6. **NATURALIZATION RECORDS.** Records of naturalization may be obtained directly from the clerk of the court in which the person was naturalized. INS also maintains records of naturalization created on and after September 27, 1906.

7. **ARRIVAL RECORDS.** Records of arrival prior to 1891 are not available from INS. Some passenger lists of the Bureau of Customs dating from 1820 are maintained by the Central Reference Section, the National Archives, Washington, D.C. 20408. Inquiries concerning these records should not be made on this form but should be forwarded directly to the National Archives with sufficient information for an adequate search, i.e., approximate dates of travel, name under which the person arrived, name of vessel, and port of entry and embarkation.

INS has records of arrivals at the port of New York since June 16, 1897, and at certain other ports since 1891. Our records of arrival prior to July 1, 1924, do not contain birthdates but merely show age at time of entry.

8. **CERTIFICATES OF NATURALIZATION RECORDS.** Section 343(e) of the Immigration and Nationality Act authorizes the Attorney General to make and issue certifications of any part of the naturalization records of any court, or of any certificate of naturalization or citizenship, for use in complying with any statute, state or federal, or in any judicial proceeding. If such certification is required, block No. 1 should contain a listing of the specific information desired followed by the phrase: "in certification form" or the phrase: "in certification form under seal." If the space provided is insufficient, attach an additional sheet of paper. If the certification is required for use in complying with a statute, the relevant statute should be cited or described clearly in block No. 2. If a certification is required for use in a judicial proceeding, attach a separate sheet of paper, listing the title and character of the proceedings, the court in which it is pending and the specific use to which the certification will be put.

9. **CERTIFICATION OF BIRTH DATA FROM IMMIGRATION AND NATURALIZATION RECORDS.** A Certificate of Birth Data may be issued for the basic fee of \$15.00 to foreign-born children under twenty-one years of age who:

(a) Have been admitted to the United States for permanent residence, whether or not they have since become naturalized, or

(b) Are citizens of the United States and have been issued a Certificate of Citizenship by INS. The parent, guardian, or other adult having a legitimate interest in a person who is under fourteen years of age may file an application on such person's behalf. A person between the ages of 14 and 21 may apply for such a certification on his own behalf.

Where documentary evidence is presented to show the child's name has been legally changed, the certification may be issued in the child's new name.

10. **PRIVACY ACT INFORMATION.** The authority for collecting the information requested on this form is contained in 8 U.S.C. 1103(a). Submission of the information solicited, including the social security number, is voluntary. The purpose for which the information is solicited is to identify the records or information which is to be verified according to applicant's request. Failure to provide any or all of the solicited information may result in delay or inability to make the requested verification.
