Dear Sheila:

Pursuant to our teleconversation of this morning; please be advised of my request for one (1) complete copy of any and all records, documents and/or information pertaining to my deceased maternal grandfather.

The purpose of this request is to further continue genealogical research, obtain invaluable information and sourcing additional information trails as to my grandfather.

His name was **Samuel Julius Simon**. His date of birth was **17 March 1888**, place of birth New York city. Presuming he was eighteen (18) years old at the time of high school graduation, would make his graduating year 1906, approximately.

Please find enclosed herewith, as requested, the \$2.00 search fee in the form of cash.

Thank you for your kind assistance and efforts in this matter, as this represents a most dearly important and precious family endeavour.

Yours faithfully,

Sam A. Bruno
