St. Paul, Oct. 25, 1921.

Mr. O.D. Johnson.

Replying to your letter of 21st inst. file
128717, in regards to application of Albert Leslie Noe, who
was employed as cook at Garrison lunchroom October 1, 1921.

When his application was received we noted
date of his birth as June 15, 1877, and I immediately wrote
manager at Garrison lunchroom to relieve him, as form 1320
we had on file gave his birth as June 15, 1862, but manager
had already relieved him on Oct. 8, 1921, as it would appear
he worked temporarily having relieved the regular cook.

R. K. Owens

1820 dated December 30, 1910 in which he stated he was
born June 15, 1862.

These matters should be checked
up in your office before the approved form is submitted
to me.
