

October 11, 2013

Mr. and Mrs. Claude Simon
71 Tonjes Road
Callicoon, NY 12723

Dear Mr. and Mrs. Simon:

Please accept our sincere thanks for attending our Wine Pairing and Fundraising Dinner and for your contribution of \$505.00.

With your support we raised more than \$73,000 at this year's event, which will go directly toward expanding existing and developing new youth arts programs. Bethel Woods' youth arts education programs rely exclusively on the generous financial support of people like you to sustain and grow our curriculum and expand engagement. One hundred percent of every dollar raised will support education, community outreach and museum programming.

Bethel Woods is a creative incubator and an integrative arts education center providing essential cultural learning opportunities for students which includes live performances, creative workshops, hands-on historical exploration, and "immersive" performing arts experiences to inspire new generations. This is all happening at a time when primary and secondary school arts curriculum has all but vanished.

We are grateful to our donors and sponsors for helping us achieve these goals. So, thank you again. We look forward to seeing you at our next event.

Sincerely,

Darlene Fedun
Chief Executive Officer

In accordance with IRS rules, below is the value of your contribution.
