## Things You Need To Know

If your MAILING ADDRESS has changed, write your new mailing address on the front of the application below. Include the COUNTY.

If your permanent LEGAL HOME ADDRESS is DIFFERENT from your mailing address, write your legal home address on the front of the application below. Include the COUNTY.

If you want your new plates, and new registration and sticker, mailed to an address other than your mailing address or legal home address, CHECK the "Alternate Address" box on the back of the tear-off application, and write the alternate address on the back of the application. NOTE: An alternate address is for one-time use only; it does not replace your mailing address or legal home address in DMV's records.

If your name or the vehicle information shown on the front of this application is incorrect or has changed, please contact any Motor Vehicles office for assistance with renewing your registration. In order to change or update vehicle information, DMV may require you to send or bring in the ORIGINAL title; a corrected title will then be sent to you, at no charge, in a separate mailing.

**Different Vehicle:** If your plate number is now on a vehicle that is different than the one described on the front of this application, call any Motor Vehicles office for information on how to renew, and to find out what the correct renewal fee will be.
