### Explanation of Charges

#### Verizon Wireless' Surcharges

Verizon Wireless' Surcharges include charges to recover or help defray costs of taxes and of governmental charges and fees imposed on us, including a Regulatory Charge (which helps defray costs of various regulatory mandates, including government number administration and license fees) and a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover costs imposed on us by the government to support universal service, and may include other charges also related to our governmental costs. It also includes an Administrative Charge, which helps defray certain costs we incur, currently including (i) charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers, (ii) fees and assessments on network facilities and services, and (iii) certain costs and charges associated with proceedings related to new cell site construction. Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.

#### Taxes, Governmental Surcharges and Fees

Includes sales, excise and other taxes and governmental surcharges and fees that we are required by law to bill customers. These taxes, surcharges and fees may change from time to time without notice.

#### Late Fee Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law.

#### Verizon Wireless' Other Charges and Credits

Includes charges for products and services, and credits owing.

## Need-to-Know Information

### Limiting Notations On Payments

Written notations included with or on your payment cannot be reviewed when bills are processed and will not be honored. Please send such notated payment and any accompanying correspondence to the Correspondence Address on Page 2 of your bill.

### Electronic Fund Transfer (EFT)

Your check authorizes us either to make a one-time electronic funds transfer (EFT) from your account or process as a check. An EFT may be withdrawn from your account the same day you make your payment and your check is not returned to you. If you want to be excluded from EFT, please call 1-866-544-0401. If payment is returned unpaid, you authorized us to collect an additional \$25 fee through EFT from your account.

### Attention Georgia Customers

Georgia State and Local Sales Taxes are charged only on the monthly access fee and all vertical services for Special Features, including, but not limited to, Call Waiting, Call Forwarding, and Three-Way Calling. If you have a service plan which includes airtime with the monthly access fee, the amount of access subject to Georgia taxes is the lesser of the access charge or \$20.00.

### Experiencing A Problem With Your Verizon Wireless Device?

Just contact us toll-free at 1-866-406-5154 from a landline phone. If we can't resolve the problem and the problem is caused by a manufacturing defect within the first year you own the device, we'll send you a Certified Like-New Replacement (either a like unit or one of comparable quality) right to your door.

### FUSC Change

The Federal Universal Service Charge (FUSC) is a Verizon Wireless charge that is subject to change each calendar quarter based on contribution rates prescribed by the FCC. On July 1, the FUSC decreased to 3.27 percent of assessable wireless charges, other than separately billed interstate and international long distance charges. The FUSC on separately billed interstate and international long distance charges decreased to 14.4 percent. For more details, please call 1-888-684-1888.

### Revisions To Customer Agreement

Verizon Wireless is updating several provisions of your Customer Agreement: (i) If you start a new contract term after July 6, 2011 and change devices or receive a Service promotion, you may be required to change to one of our then-current plans, (ii) if you add a new line of Service and cancel within 3 days, we will refund your Activation Fee. You can cancel within 14 days without paying an Early Termination Fee as long as you return any equipment you purchased at a discount from us or one of our authorized agents, (iii) some third party services and applications, which we do not offer directly, may involve charges for which you will be billed, and (iv) iPhones may not work on another carrier's network, even after completion of your contract term. For the updates and your revised Customer Agreement, please go to [www.verizonwireless.com](http://www.verizonwireless.com).
