For IRA, Keogh, or other retirement accounts, the federal tax identification number of the custodian is shown.

Your transaction information reported here came from your broker's or nominee's records, provided the broker or nominee supplied the information in accordance with Internal Revenue Code §6031(c). IRS Regulations concerning partnerships require brokers and nominees to inform the Partnership directly of your unit activity so that the Partnership may automatically furnish you with tax information, and the Partnership may rely upon such information for purposes of filing its federal tax return.
