Important information about your telephone service

The AT&T Consumer Services Agreement covers AT&T state-to-state and international long distance consumer calling services and explains the relationship between you and AT&T, as well as each of our rights and responsibilities, including billing and payment. In some states, it also covers local and in-state long distance consumer services. It describes our binding arbitration process, which uses an objective third party rather than a jury for resolving disputes that may arise. You accept the terms of the Agreement simply by continuing to use or pay for any AT&T consumer calling service covered under the Agreement. You received a copy of the Agreement when you began purchasing covered services. If you would like another copy of the Agreement, you can access it at www.att.com/serviceguide/home or call us at 1.888.288.4099 to request a copy.

Any intrastate services you subscribe to are provided by AT&T Communications of New York, Inc. and any interstate/international services you subscribe to are provided by AT&T Corp. To view service publications go to: att.com/servicepublications and click on Service Guides and/or Tariffs.
