## Explanation of Charges

### Verizon Wireless' Surcharges

Verizon Wireless' Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including charges we or our agents pay local telephone companies for delivering calls from our customers to their customers, fees and assessments on our network facilities and services, and costs and charges associated with new cell site construction, local number portability, and other government mandates. Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.

### Taxes, Governmental Surcharges and Fees

Includes sales, excise and other taxes and governmental surcharges and fees that we are required by law to bill customers. These taxes, surcharges and fees may change from time to time without notice.

### Late Fee Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law.

### Verizon Wireless' Other Charges and Credits

Includes charges for products and services, and credits owing.

## Need-to-Know Information

### Limiting Notations On Payments

Written notations included with or on your payment cannot be reviewed when bills are processed and will not be honored. Please send such notated payment and any accompanying correspondence to the Correspondence Address on Page 2 of your bill.

### Electronic Fund Transfer (EFT)

Your check authorizes us either to make a one-time electronic funds transfer (EFT) from your account or process as a check. An EFT may be withdrawn from your account the same day you make your payment and your check is not returned to you. If you want to be excluded from EFT, please call 1-866-544-0401. If payment is returned unpaid, you authorized us to collect an additional \$25 fee through EFT from your account.

### Attention Georgia Customers

Georgia State and Local Sales Taxes are charged only on the monthly access fee and all vertical services for Special Features, including, but not limited to, Call Waiting, Call Forwarding, and Three-Way Calling. If you have a service plan which includes airtime with the monthly access fee, the amount of access subject to Georgia taxes is the lesser of the access charge or \$20.00.

### Experiencing A Problem With Your Verizon Wireless Device?

Just contact us toll-free at 1-866-406-5154 from a landline phone. If we can't resolve the problem and the problem is caused by a manufacturing defect within the first year you own the device, we'll send you a Certified Like-New Replacement (either a like unit or one of comparable quality) right to your door.

### FUSC Change

The Federal Universal Service Charge (FUSC) is a Verizon Wireless charge that is subject to change each calendar quarter based on contribution rates prescribed by the FCC. On July 1, the FUSC decreased to 3.66 percent of assessable wireless charges, other than separately billed interstate and international telecom charges. The FUSC on separately billed interstate and international telecom charges decreased to 15.7 percent. For more details, please call 1-888-684-1888.
