## Explanation of Charges

### Verizon Wireless' Surcharges

Verizon Wireless' Surcharges include charges to recover or help defray costs of taxes and of governmental charges and fees imposed on us, including a Regulatory Charge (which helps defray costs of various regulatory mandates, including government number administration and license fees) and a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover costs imposed on us by the government to support universal service, and may include other charges also related to our governmental costs. It also includes an Administrative Charge, which helps defray certain costs we incur, currently including (i) charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers, (ii) fees and assessments on network facilities and services, and (iii) certain costs and charges associated with proceedings related to new cell site construction. Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.

### Taxes, Governmental Surcharges and Fees

Includes sales, excise and other taxes and governmental surcharges and fees that we are required by law to bill customers. These taxes, surcharges and fees may change from time to time without notice.

### Late Fee Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law.

### Verizon Wireless' Other Charges and Credits

Includes charges for products and services, and credits owing.
