Much Love xx

Dear Claude

I was thinking about

ashes - mine (in the future)

& Mom & Dad's which I have

in the china pottery dish
on a shelf.

When the time comes I

would like my ashes

mingled with theirs &

Scattered;

1- on Nanai's grave

2- in the Pacific Ocean

3- the Arrow Lake

4- ~~The Kettle River~~.

If that's at all doable -
what do you think? Love, Girde

P.S. Thank you for everything you've done & thank you for the estate.
