Need-to-Know Information

Verizon Surcharges

Verizon's Surcharges include (i) a Federal Subscriber Line and Access Recovery Charge applicable to local services that helps pay for the costs of providing and maintaining the local phone network; (ii) a Federal Universal Service Charge applicable to interstate and international services to recover fees imposed on us by the government to support universal service, and; (iii) a Carrier Cost Recovery Charge applicable to long distance customers that helps defray various charges we pay, including those for government number administration, local number portability, regulatory fees, and charges we or our agents must pay to terminate calls on other networks. Please note that these are Verizon charges, not taxes. These charges, and what is included in these charges, are subject to change from time to time. For additional information regarding the charges on your Verizon bill, please visit Verizon.com or call 1-800-Verizon.

Telephone Sales Calls. Know The Facts

Under the Federal Telephone Consumer Protection Act, telemarketers must identify the individual or business they represent and the purpose of the call. Telemarketers are prohibited from making unsolicited sales calls between the hours of 9 pm and 8 am.

From time to time, Verizon calls its customers to inform them about special promotions or new products and services. For those customers who indicate that they do not wish to receive sales calls, you can request to be added to Verizon's do-not-call list. Being on the federal list does not prevent sales calls to existing customers.

Certain organizations (such as political groups, not-for-profits and telephone surveys) are exempt from the do-not-call registry. In addition, federal law exempts calls made to parties with whom the caller has an established business relationship, and calls for which the calling party has received the called party's prior express invitation or permission. Consumers may follow the same procedure to revoke their registration for the federal do-not-call list.

To place your number on the Federal do-not-call registry, call 1-888-382-1222 (Voice) or 1-866-290-4236 (TTY), or visit the website at www.donotcall.gov. To learn more about telephone sales calls, see the Protection Tips section of the Customer Guide in your Verizon Directory.

Important Changes to Verizon's Operator Services.

Effective April 6, 2013, Verizon will discontinue services commonly referred to as Busy Line Verification and Busy Line Interrupt. Verizon's Operators will no longer verify a busy line condition or interrupt a conversation at the calling party's request. These services are now rarely used and cannot be performed on the large number of lines with call waiting, voicemail or call forwarding. Verizon appreciates your business and offers many optional services to meet your voice, Internet and television needs.
