Important information about your telephone service

The AT&T Consumer Services Agreement covers AT&T state-to-state and international long distance consumer calling services and explains the relationship between you and AT&T, as well as each of our rights and responsibilities, including billing and payment. In some states, it also covers local and in-state long distance consumer services. It describes our binding arbitration process, which uses an objective third party rather than a jury for resolving disputes that may arise. You accept the terms of the Agreement simply by continuing to use or pay for any AT&T consumer calling service covered under the Agreement. You received a copy of the Agreement when you began purchasing covered services. If you would like another copy of the Agreement, you can access it at www.att.com/serviceguide/home or call us at 1.888.288.4099 to request a copy.

Any intrastate services you subscribe to are provided by AT&T Communications of New York, Inc. and any interstate/international services you subscribe to are provided by AT&T Corp. To view service publications go to: att.com/servicepublications and click on Service Guides and/or Tariffs.

Your account will be debited in the amount of your check and the transaction will appear on your bank statement. Your original check will be destroyed once processed, and you will not receive your cancelled check back. If we cannot post the transaction electronically, you authorize us to present an image copy of your check for payment. If you have further questions regarding this process, or if you do not wish to participate in AT&T's check conversion program please call 1.800.201.2367.

From time to time, we develop new offers and make pricing changes that you may want to know more about. We've set up a special web site to help you get the most out of your AT&T services--please visit us online at www.att.com/home
