### **IN CASE OF ERRORS**

#### **In Case of Errors or Questions About Your Electronic Fund Transfers:**

If you think your statement or record is wrong or if you need more information about a transfer on the statement or record, telephone us or write to us at the address shown in the Customer Service Information section on your statement as soon as possible. We must hear from you no later than 60 days after we sent you the **first** statement on which the error or problem appeared. You are entitled to remedies for error resolution for an electronic fund transfer in accordance with the Electronic Fund Transfer Act and federal Regulation E or in accordance with laws of the state where your account is located as may be applicable. See your Client Manual for details.

**Give us the following information:** (1) your name and account number, (2) the dollar amount of the suspected error, (3) describe the error or the transfer you are unsure about and explain as clearly as you can why you believe there is an error or why you need more information. We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this we will recredit your account for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation.

**The following special procedures apply to errors or questions about international wire transfers or international Citibank Global Transfers to a recipient located in a foreign country on or after October 28, 2013:** Telephone us or write to us at the address shown in the Customer Service Information section on your statement as soon as possible. We must hear from you within 180 days of the date we indicated to you that the funds would be made available to the recipient of that transfer. At the time you contact us, we may ask for the following information: 1) your name, address and account number; 2) the name of the person receiving the funds, and if you know it, his or her telephone number and/or address; 3) the dollar amount of the transfer; 4) the reference code for the transfer; and 5) a description of the error or why you need additional information. We may also ask you to select a choice of remedy (credit to your account in an amount necessary to resolve the error or alternatively, a resend of the transfer in an amount necessary to resolve the error for those cases where bank error is found). We will determine whether an error has occurred within 90 days after you contact us. If we determine that an error has occurred, we will promptly correct that error in accordance with the error resolution procedures under the Electronic Fund Transfer Act and federal Regulation E or in accordance with the laws of the state where your account is located as may be applicable. See your Client Manual for details.
