InvestorDirect Choice Plan (the Plan) information – please read

Investment dates for optional investments generally occur each Thursday. Note: Optional investments received fewer than two business days before an Investment Date will be held until the next Investment Date. Please see the Plan Prospectus for more information.

When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction.

You may change your participation in the **InvestorDirect Choice Plan** (the Plan), request a partial withdrawal of shares held for you in the Plan, or terminate your participation in the Plan as outlined in the Plan Prospectus. Please provide written notice to Duke Energy Corporation Investor Relations or mark the appropriate box above. Fill in all necessary blanks and sign exactly as your name(s) appear(s) on the front of the statement. Detach and mail to Duke Energy at the address listed below.

Duke Energy will send to you, your stock certificates and/or proceeds as soon as practicable. If a notice of termination is received after a dividend record date but before the related dividend payment date, a separate dividend check will be mailed to you on the dividend payment date. Thereafter, cash dividends on any remaining Duke Energy Common Stock you hold will be paid to you and will not be reinvested.

When sending certificates for Safekeeping, it is recommended (although not required) they be sent by insured, registered mail for 2% of the market value.

Backup withholding at a rate of 28% of the proceeds from Plan sales will apply if your account is not certified. (Foreign Persons are subject to a rate of 30% if not certified). Your tax certification status is printed on the reverse side. In order to have certified your tax identification number, you should have returned the substitute Form W-9 which was mailed to you when the account was established. If you have not returned the Form W-9, please call our office and we will send you another form to complete and mail back to us. To avoid the required IRS backup withholding, we must have the completed Form W-9 before initiating the sale or payment of dividends. Participants enrolling after July 31, 1998 should have certified their tax identification number in the W-9 section on the Enrollment Form. (Note: If you are a Foreign Person, do not use Form W-9. Instead, use the appropriate Form W-8.)
