Dear Claude Simon,

These are difficult times we are living in. I hope you and your loved ones are well. I have helpful information to share.

A comforting thought is found in the Bible at Isaiah 2:4- "They will beat their swords into plowshares and spears into pruning shears. Nation will not lift up sword against nation, Nor will they learn war anymore."

My wife and I volunteer to help people learn answers from the Bible to such important questions as: will evil and suffering ever end? How can we find happiness in life?

We share in this work because we care about our neighbors. We offer a free interactive Bible course. Please feel free to visit us at the address above or at our website JW.ORG.

Sincerely,
Robert Ayres
