## What you need to do immediately

### If you agree with the amount due and you're not working with an IRS representative

- Pay the amount due of \$1,485.87 immediately or we may file a Notice of Federal Tax Lien, the amount of interest will increase, and additional penalties may apply.
- Pay online or by phone or mail a check or money order with the attached payment stub. You can pay online now at [EFTPS.gov](https://www.irs.gov/efps).
- When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution.

### If you disagree with the amount due

Call us at 833-678-7020 to review your account with a representative. Be sure to have your account information available when you call.

We'll assume you agree with the information in this notice if we don't hear from you.

## If we don't hear from you

If you have not paid the debt already, a federal tax lien has arisen as a claim against all your property. If you don't pay the amount due immediately or make payment arrangements, we can file a Notice of Federal Tax Lien (NFTL) publicly establishing our priority with your creditors and we may levy (subject to any applicable Collection Due Process rights).

If we file the NFTL, it may be difficult to sell or borrow against your property. The NFTL may also appear on your credit report.

### Interest (Internal Revenue Code Section 6601)

We're required by law to charge interest when you don't pay your liability on time. Unlike penalties, we can't reduce or remove interest due to reasonable cause. Interest accumulates daily, so the longer you wait to pay, the more interest we add to your account. Visit [IRS.gov/Interest](https://www.irs.gov/Interest) for more information.

Note: The interest amount in Billing Summary reflects accruals from your previous balance due notice, the amounts shown below are total interest charges.
