Dear Vicki,

We have just been advised there will be a Price Increase to our Extended Vehicle Service Plans (EVSP) effective August 1, 2024. After that date we will not be able to honor the service contract pricing designed specifically for your vehicle.

Please call us at 1-800-282-0971, so we can hold your EVSP contract at the lowest program rates. When vehicles expire out of factory warranty due to time or mileage the Vehicle Service Plan provides coverage beyond the original Manufacturer's and puts your vehicle back under coverage at current Loyalty Pricing. By contacting us now you can avoid the price increase and still cover your investment from the high cost of these unexpected repairs.

We want to make sure we do everything possible to earn your business so please know this program is limited, based on your current mileage and age of your vehicle. At this time No vehicle inspection is required and the No Fee payment option is available. Please call before August 1, 2024 for these eligibility requirements to remain valid.

We can be reached between 8:00 am - 8:00 pm CST Monday through Friday and 8:00 am - 4:00 pm on Saturday. Call toll-free at 1-800-282-0971. Please refer to Customer ID# E2538916340 when you call.

P.S. Depending on your make and mileage, prices will rise between \$150 and \$500 per year.

Sincerely,

Rebecca Patterson
