- (1) taken necessary steps whereby the intended termination is rendered null and void; or
  - (2) contracted with another insurer to replace the existing insurer for the providing of similar coverage for the same certificate holders and filed an affidavit with the Commissioner of Labor and Superintendent of Insurance to that effect.

**If you are not replacing your terminated Oxford coverage**, you must provide a copy of our termination notice and a letter from you to the certificate holders advising them of the termination of coverage to each of your affected employees as follows:

- At least **nine days** prior to the actual termination date, the notice and letter must be given to certificate holders either by hand-delivering them at their place of employment (this includes placing them in an employee's pay envelope), or mailing them to a certificate holder's last known residential address; and
- At least **nine days** prior to the actual termination date, you must post our notice of termination and the letter from you to your certificate holders advising them of the termination of coverage in conspicuous locations where you believe they will be noticed by the certificate holders.
