## Your Federal Tax Deposits weren't submitted correctly

One or more of your Federal Tax Deposits for the quarter ending December 31, 2024 (Form 941) weren't submitted correctly.

Though we usually charge a penalty for late, insufficient, or incorrect deposits (Internal Revenue Code Section 6656), we decided to waive the penalty for this period. We encourage you to review the Federal Tax Deposit requirements so you can submit correct deposits and avoid penalties in the future.

### What you need to do

#### To avoid penalties

- Be sure to:
  - Deposit the correct amount of tax
  - Deposit by the correct date
  - Deposit according to your correct frequency (monthly or semiweekly)
  - Deposit electronically using the Electronic Federal Tax Payment System (EFTPS)

#### Note: You don't need to respond to this notice.

- You only need to verify the accuracy of future deposits and filings.

### Summary of late or incorrect payments

The following table shows amounts that were paid late, not paid at all, or not paid electronically. (Payments not submitted electronically show a payment type of "PAY").

Date due	Date received	Days late	Payment type	Deposit amount
11/15/2024	12/26/2024	41	EFT	1,388.69
01/15/2025	01/27/2025	12	EFT	1,388.68

We base the penalty on the underpayment amount. The following rates apply for failing to make a proper deposit.

Penalty rate	Number of days deposit is late
2%	1-5 days late
5%	6-15 days late
10%	Over 15 days late, but no more than 9 days after we've billed you
10%	Amounts not deposited electronically using EFTPS
15%	More than 10 days after we've billed you

## We changed your mailing address

We updated your mailing address in our records because the address entered on a tax return or Form 8822-B was different from the one in our records. We will now mail notices and letters to the address above. In addition, we sent an address confirmation notice to your previous mailing address.

### What does this mean

- Our update may be for minor changes in word and abbreviations (e.g., ST instead of Street). We recommend you verify your full address, abbreviations, and zip code using the United State Postal Service (USPS) address look up tool. This will ensure your address meets the mailing standards and avoid minor changes from happening in the future.
- Review your most recent filed returns or Form 8822-B to verify that an address update was required.
- If your address should not have been changed, you can call us at 800-829-0115, visit [irs.gov/addresschange](https://irs.gov/addresschange) for more information or write to us at the address in upper left corner.
- **Caution for employers regarding third party payroll providers:**
  - If we find any issues with an account, we send a letter or notice to your address of record. We strongly caution any employer against changing the address of record to that of a payroll service provider or other third party as it may significantly limit our ability to inform the employer of tax matters involving the business.
  - The employer is ultimately responsible for depositing and paying all federal employment tax liabilities.
  - For more information visit [irs.gov/outourcingpayrollduties](https://irs.gov/outourcingpayrollduties).
- Keep this notice for your records.
- Please be sure you (or your tax preparer) always enter your correct mailing address on tax returns in exactly the same way every time you file unless you change your mailing address after you filed your last return.
