Dear Jessica Cortez:

Your immediate response is needed to ensure that the listing for Veratex Inc appears alongside all of the other New York linens companies in this year's New York Manufacturers Register and the premier online industrial marketplace IndustryNet.com.

This is where manufacturers find new local vendors for machinery, equipment, parts and supplies. This basic phone, web & email listing is only \$233 for the year if check enclosed at the time of authorization or \$257 due upon activation on IndustryNet.com.
