Understanding your bill

- Basic Service Charge:** A charge for basic system infrastructure and customer-related services, including customer accounting, and metering services. A billing and payment processing charge of \$0.90, which may be avoided by switching to an energy services company (ESCO), is also included.
- Delivery:** Charge for maintaining the system through which Con Edison delivers electricity to you.
- Electricity Supply:** Charge for the electricity supplied to you.
- Energy Delivery:** Additional Delivery Charges and Adjustments. For more information, visit conEd.com/rates.
- Gas Supply:** Charge for the gas supplied to you by Con Edison.
- GRT & other tax surcharges:** Taxes on Con Edison gross receipts from sales of utility services and other tax surcharges.
- Merchant Function Charge:** A charge that recovers costs associated with procuring electricity, procuring and storing natural gas, conducting credit and collections activities, and managing uncollectible accounts.
- Meter Multiplier:** If your meter multiplier is greater than one, your total usage will be the reading difference times the meter multiplier.
- Monthly rate adjustment:** Adjustment for miscellaneous costs and credits, and from October through May, for the effect of variation from normal weather.

Understanding your bill (Cont'd)

New Read: Monthly meter readings are no longer used for billing purposes. Instead, we use the data provided by your smart meter(s), which improve accuracy by recording your energy use in 15-minute intervals. Your New Read is provided for illustrative purposes only.

Prior Read: Your prior meter reading was calculated when your last bill was issued.

Reading Difference: The reading difference is the result of subtracting your prior meter reading from your new meter reading. Please note: the New Read and Prior Read values shown on your bill have been rounded and/or truncated. Calculating the Read Diff yourself may result in a different value than the one shown here.

Reading Type: You will see the word "Estimated" here if your smart meter was unable to communicate your energy use during the billing period. Otherwise, your reading type will be "Actual".

Remaining: Charge for maintaining the system through which Con Edison delivers gas to you.

Sales tax: Tax collected on behalf of New York State and/or your locality.

System Benefits Charge: A charge that recovers costs associated with energy-efficiency and renewable-energy programs implemented by the Company and the New York State Energy Research and Development Authority (NYSERDA).

Temperature * Source: Central Park Weather station.

Total Usage (kWh): Your total usage is the sum of the 15-minute interval data recorded by your smart meter(s) during the billing period. This is used to calculate the energy-delivery and energy-supply charges on your bill.
