**Delivery Notes:**

Received, subject to the classifications and tariffs in effect on the date of the issue of this bill of lading, the property described above in apparent good order, except as noted (contents and condition of package unknown), marked, consigned, and destined as indicated above which said carrier (being understood throughout this contract as meaning any person, corporation in possession of the property under the contract) agrees to carry its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed as to each carrier of all or any of, said property over all or any portion of said route to destination and as to each party at any time interested in all or any said property, that every service to be performed hereunder shall be subject to all the bill of lading terms and conditions in the governing classification on the date of the shipment. Shipper hereby certifies that he is familiar with all the bill of lading terms and conditions in the governing classification and the said terms and conditions are hereby agreed to by the shipper.

**Shipper Per** Note: where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property, the agreed or declared value is hereby specifically stated by the shipper to be not exceeding.

This is to certify that the above named materials are properly classified, described, packaged, marked and labeled, and are in proper condition for transportation according to the applicable regulations of the department of transportation subject to section 7 of the conditions, if this shipment is to be delivered to the consignee without recourse the consignee shall sign the following statement the carrier shall not make delivery of the shipment without payment of freight and all other lawful charges (signature of consignee)
