Claudio,

Got your voice mail ... not much I can do ... somebody from your company needs to contact our Greensboro headquarters and ask for Terry Gore or Lane Willard. Might try contacting Greg Miller since he's your Sales Representative.

Thanks,

Tks.

Unifi is releasing approx. 25m of 150 den text poly packages this afternoon to arrive at Fairlane tomorrow, 6/9. They've over-shipped by some 7m, but please only warp 2m & 15m on 2 warping po's we've previously issued (20968 & 20969). We might be returning excess 7m of this shipment, we don't know yet at this point.

Rgds.,
