IF YOU SMELL GAS, DON'T LIGHT IT. IF YOU CAN'T LIGHT IT, DON'T FIGHT IT!

• IF YOU SMELL GAS OR SUSPECT A LEAK

DON'T TOUCH electrical switches, light matches, or use the phone.

GET EVERYONE OUT of the building.

SHUT OFF the gas valve at the outside tank, meter, or service entrance.

CALL your gas supplier and/or the fire department from a neighbor's phone.

• GAS HAS BEEN ODORIZED

Before lighting, sniff all around the appliance area for a gas odor. Be sure to sniff next to the floor because propane gas is heavier than air and may temporarily exist at floor level.

• IF PILOT LIGHT WON'T LIGHT

(Read appliance operating instructions before attempting to light pilot). If you have trouble lighting the pilot or keeping it lit, there's normally a safety feature preventing it from working. If it won't light, shut off the gas and call your gas supplier.

• ODOR DEPLETION

In certain circumstances the L.P. Gas odor may diminish or weaken making it difficult for a person with a normal sense of smell to detect a gas leak.

• TAMPERING IS DANGEROUS

Do not force the gas control knob. Never use tools. Use only your hand to turn the control knob. Forcing the gas control knob may override the safety feature and allow gas to leak. This could result in fire or explosion.

• WATER DAMAGE

If your gas control valve has been subjected to flooding or wetting, it must be inspected by a trained gas service person prior to starting and replaced if damaged or required by the manufacturer's instructions.

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address shown on your bill as soon as possible. We must hear from you no later than sixty (60) days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights.

In your letter, give us the following information:

- Your name and account number.
- The dollar amount of the suspected error.
- Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount in question.

SOME OTHER FEES THAT MAY APPLY TO YOUR ACCOUNT:

Minimum hourly labor charges for all service work, Light pilot fees, Pressure Test Fee, Regulatory Compliance Charge (per delivery fee), Fuel Surcharge (per delivery fee), Special delivery charges (for off route/unscheduled deliveries), Under minimum delivery fee, minimum usage fee, Tank removal fee, Fee to move tank. Underground tank leases, Tank/meter unlock fees, Returned check fee, Protest check fee, Collection & Attorney fees.

Please call the office for more information on these fees and if they apply to you.

A **FINANCE CHARGE OF 1 1/2% PER MONTH, WHICH IS AN ANNUAL PERCENTAGE RATE OF 18%, WILL BE APPLIED TO AMOUNTS OVER 30 DAYS. WE FIGURE THE FINANCE CHARGE ON YOUR ACCOUNT BY APPLYING THE PERIODIC RATE TO THE "ADJUSTED BALANCE" BY TAKING THE BALANCE YOU OWED AT THE END OF THE PREVIOUS BILLING CYCLE AND SUBTRACTING ANY PAYMENTS AND CREDITS RECEIVED DURING THE PRESENT BILLING CYCLE.**
