Notice of Transactions

This notice shows the status of your Unemployment Insurance Account. If the "Current Balance" box below indicates:

Underpaid: This is the amount due for Unemployment Insurance contributions, the Re-employment Service Fund, your Interest Assessment Surcharge (IAS), and any interest or penalty. Mail payment to the address above for this amount, plus any interest. Make the check payable to NYS Unemployment Insurance and write your employer registration number on it.

Overpaid: Deduct this amount from any future amounts due the Unemployment Insurance Division.

If you see the word "Estimated" in the *Wages, IAS Wages or Claimant S.S. Acct #* column below, we have not received your return for the quarter indicated. Submit a completed return with payment of the amount due.

If your payment is late:

- Interest is assessed on contributions and re-employment service fund amounts at the rate of 12 % per year from the due date to the date paid;
- You will not receive a credit to your account for future rating purposes if we receive your payment more than 60 days after the quarterly due dates; and
- It may affect your annual credit on IRS Form 940.

We will send you a separate notice for
Failure to File or Benefit Claim penalties.

Your previous balance was:

NONE \$0.00

WE ARE YOUR DOL

Dear New York State Business Owner,

We are reaching out regarding the 2024 Interest Assessment Surcharge (IAS) as detailed in the enclosed Notice of Transactions. Please be aware that payment for the IAS is due within 30 days from the date of this notice.

Background Information

In early 2020, New York's unemployment trust fund balance stood at nearly \$2.7 billion. Unprecedented unemployment caused by the pandemic eliminated this surplus and resulted in a sizable deficit. In such a situation, federal and state law provide that the federal government will loan funds to the states to meet claims obligations. New York law requires assessing a temporary charge to businesses to pay the interest on the federal loans.

The IAS is assessed only as long as required to service this debt. For 2024, the IAS rate is 0.12% — a 50% reduction from last year's rate — which equates to roughly \$15 per employee.

For further details on the IAS, visit dol.ny.gov/ias.
